With New Orchards Bearing Crop

Expected to Equal That of 1914. WENATCHEE, Wash, April 19,-WENATCHEE, Wash, April 19.-(Special)-Judging from the present condition of the apple trees at blossom-ing period, it is predicted the apple crop of the Wenatches district will equal or exceed that of last year, 5570 cars, because of the young trees which will come bits bearing this year. It is

will come into bearing this year. It is generally thought by the estimators that the crop of old trees of most varie-tles will be lighter than last year.

The production is spotted, some or-chards of old trees being loaded, while others of the same varieties are light in crop. Various reasons are assigned for this condition. The loss of vitality due to continued heavy bearing and the

presence of mildew. KELSO HAS RECORD CUT
