There are several candidates mentioned and several names were placed in nomination at the last meeting. Three of these generally are accepted as the leaders. They are Miss Jennie Limbocker, of Ladd School; Miss Gertrude Orth, of Davis, and Miss Viola Orschold, of Cedar Point. Miss Orschold is popular, so their friends state. But the election may bring forth surprises, as a much larger attendance is anticipated for the election than was in evidence at the last meeting. Just One Application and the Hairs Vanish (Toilet Talks) Any woman can keep her skin free from unsightly hair or fuzz if she will follow these simple instructions: When hairy growth appears, apply a simple paste, made by mixing some water with powdered delatone. Apply this to hairy surface and after 2 or 3 minutes rub off, wash the skin and the hairs are gone. This is a harmless treatment, but be sure you get the real delatone—Adv.

LITTLE GIRL HAD CHRONIC COUGH Left From Whooping Cough—Was Terribly Run-down and Weak—Mother Tells How She Was Cured by Vinol.

Philadelphia, Pa.—"My little girl, aged thirteen years, had the whooping cough, which settled into a chronic cough, with a run-down system and lung trouble. She had to stay at home from school while being treated by the doctor and nothing seemed to help her. I saw Vinol advertised and decided to try it. I soon noticed an improvement, and after giving her four bottles her cough is gone, her strength has returned and she has a good appetite. We think there is nothing like Vinol."—Mrs. M. White, Philadelphia, Pa.

What Vinol did for this little girl it will do for others, for it is the healing, curative, tissue-building influence of the medicinal elements of the extract of cod-livers aided by the blood-purifying, strengthening properties of tonic iron, which makes Vinol so successful in such cases, and children like to take Vinol because it is pleasant and it is much better for them than "cough medicines" which have no strengthening power, while Vinol builds up the body and throws off the cough.

Remember, if Vinol fails to benefit, we return your money. The Owl Drug Co., Portland, Oregon, and at leading drug stores everywhere.
