Ignorance in County.

City School Head Seeks to Teach All Persons to Read and Write and Proposes to Make Direct Effort to Reach Unschooled.

A war on differency in Multhomah
County that is hoped will spread
throughout Oregon is to be waged by
City School Superintendent Alderman.
The points to the fact that, although
this state stands well toward the head
of the list on the Government's literacy
Crude Oil on All Lakes. Multisonah County and 10,000 in Dregon who are unable to read and write. The State of Washington, however, is charged with 18,000 illiterates.
Superintendent Alderman does not take the position that Oregon is in a bad way as regards illiteracy, but he proposes to banish it from the state. He hopes that the work will be prosecuted with such success that by 1920, allowing the lapse of 15 years for the work, Oregon will lead all the states of the Union with the lowest percentage of illiterates.

Direct Effort Proposed.

county superintendent there, who dis-covered some years ago that her county held the unenviable place of the most illiterate county in the United States. She set to work and interested parents in improving conditions, and was the originator of the "moonlight schools,"

This work was successful and many were attracted to the schools, which accomplished their object to a great extent. However, Mrs. Stewart found that many illiterates yet remained who did not attend the schools, and the way to reach the schools, and the way

Direct Effort Proposed.

Mr. Alderman proposes to start his campaign by obtaining the names of dilliterates in Multinomah County from the Government census figures so that his directly and receive the necessary insuredion.

Superintendent Alderman got his idea of the necessity of work to banish illiteracy at the annual meeting of the limited Empire Teachers' Association, which met last week at Spokane. This organization comprises the state of Organ. Washington and Idaho, and 2500 teachers were in attendance.

At the meeting was Mrs. Cora Wilson Agent and Alderman got make this adepartment is in view.

Divert Effort Proposed.

Mr. Alderman proposes to start his scampaign by obtaining the names of illiteracy at the mosquito eggs and young in patients and sure and sure and sure and those he desires to help may be reached directly and receive the necessary insure that the intends no immediate appointment of the pair of the arrest of her son on a directly and receive the necessary insure that time that she had better give his age as 21.

Woman Makes Charge.

Mr. Daly said the policeman spot and the policeman appeared at her liome April 12 with a charge of the arrest of her son on a darrant for the arrest of her son on a charge of disorderly conduct. She said the policeman returned. Stewart for the arrest of her son on a charge of disorderly conduct. She said the policeman returned at the recessary him. The boy was not at home so he arranged to call.)—Governor Lister has announced the policeman speared at her liome April 12 with a carnot will be funded. She said the policeman appeared at her liome April 12 with a carnot will be reased at her liome April 12 with a charge of disorderly conduct. She said the policeman returned. She had better give his age as 1 because it would go easier with him. The boy was not at home so he arranged to call.)—Governor Lister has announced the policeman part of the arrest of her son on a charge of disorderly conduct. She said the policeman returned haten the rest of disorderly conduct.

Patrolman Bailey Accused of Subornation of Perjury.

PROTECTION IS CHARGED

Falsely to Shield Druggist From Trial for Alleged Sale of Liquor to Minors.

Crude Oil on All Lakes.

The death knell of the mostuito farm
The death knell of the mostuito farm
The death knell of the mostuito farm
The death knell of the most are substituted by the substitute of the most are substituted by the substitute of the substit The death knell of the mostuito farmily was sounded yesterday when City ent purpose of protecting a drugstore of on outer Hawthorne avenue from for the spreading of crude oil on all lakes, ponds and marshes in and near Portland. The oil destroys the eggs and young of the pest.

A large quantity of crude oil will be purchased and hauled to the lakes in automobile trucks. Upon being poured upon the water it is moved about the lake by the wind and gathers up and kills the mosquito eggs and young in millions.

Orderly conduct for the alleged apparent purpose of protecting a drugstore of selling liquor to a minor. Mayor Albee will discharge Balley today.

Mr. Warren has obtained affidavits from Mrs. Jennie M. Daly, of 181 East Thirty-third street, mother of the boy, in which she declares that Patroliman day and Saturday nights and from all at to the age of the boy, and from the boy himself in which he says that the patroliman got him to give his age as a patroliman got him to give his age as a patroliman got him to give his age as a patroliman got him to give his age as a patroliman got him to give his age of the recent performances. o reach them was a difficult problem She tried, through Kentucky's Representatives at Washington, to procure the names of illiterates in her county, but secrecy was maintained and an appeal to President Taft was necessary

before she got them.

Personal work followed, with the result that Cowan County now makes a vastly improved showing, and the work done by Mrs. Stewart spread over Kentucky, as well as through other parts of the South, where such a movement was much needed. was much needed.

Youth Says He Was Urged to Swear

Evidence gathered by Will H. Warren, MOSQUITO WAR STARTED private secretary to Mayor Albee, resulted yesterday in Patrolman B. R. Bailey being suspended from the Police Bureau by Chief Clark on a charge of

as 21. She said she refused absolutely to do this because it was known that she had not been married 21 years.

In the affidavit signed by the boy, he parts of the country, and the recent

The suspension of Patrolman Bailey was the third discharge recently, since Mayor Albee announced his determination to "clean up" the Police Bureau. Eastern passenger of the Santa Fe Kailway. William Mc-Murray, general passenger agent of the number. Mr. Scott left late yesterday for Seattle. He says that few of the Patrolman Musch.

named Lee Cain, were in jail, the policeman approached them and asked them to say they got the liquor "over town." He is quoted as saying "If you don't it might go hard with——" giving the name of a druggist.

Bailey is Third to Go. Eastern passenger officials will return

home by way of the Pacific Northwest. School Garden Story Interests.

Ex-Patrolman Bailey is 23 years old and married. He entered the police force June 30, 1912, and had been in constant service since on Captain Inskeep's relief. He was reputed to be a good officer, but was on the carpet once for alleged misconduct, although the charges were dropped on account of his wife.

Bailey is best known to many as a larger before the magazine had of his wife.

Balley is best known to many as a member of the Portland police quartet. He possesses an excellent tenor voice and has sung at many festivities in which the police participated during the past year and a half.

Commerce was in receipt of letters of inquiry from various Eastern cities almost before the magazine had reached here. The article contained several illustrations from the school garden work that has been carried on in the city. The letters asked details of the plan and suggestions as to how it might be applied in other cities.

> You Can't Brush or Wash Out Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.
