\$14.85 Settles Suit Question for the Season

473 Suits That Were Purchased at a Big Price Concession—Otherwise Would Be \$25, \$27.50

And snappier suits you never have seen. You couldn't be better satisfied if you went to a good tailor and paid \$35 for a suit—cut, fitted and made to your order. These new Spring Suits were made for us by one of our best manufacturers. We asked for wool materials and got them. We insisted on hand tailoring, and got it. We demanded a big price concession and got that, too. "We want to give our customers the best \$25 and \$27.50 Suits in Portland for \$14.85" is the way to put it, and our demands were fulfilled at every turn.

312 Are \$25.00 Suits \$14.85 161 Are \$27.50 Suits \$14.85

Velours, Worsteds, Cassimeres and Tweeds, Shown in Tartan Checks, Glenarisk Plaids, Pencil Stripes and an Immense Assortment of Fancy Gray Mixtures

And Say There's a range of sizes that will make every man take his hat off to Meier & Frank's. Short men, stout men, tall men and medium will find exactly what they want, and the Meier & Frank guarantee assures you of a perfect fit. Otherwise your money back quick as a wink. You simply can't afford to pass up this sale. Everything is in your favor, and you'll never forget the \$10.15 or \$12.65 you save when you see how your suit fits and wears.

Talk About Style

There's more style in one of these Suits at \$14.85 than we ever saw at a price anywhere near that figure. Conservative men will like our three-button sack. Young men under 40 will enthuse over our semi-English fitted Suits. And the two-button English soft roll Suits, with patch pockets, are great.

And the good qualities in these Suits are not all on the outside, either. Wait until you see the linings—alpaca or serge-lined—the fabrics that wear and make you feel comfortable as you

slip on or off your coat. Now, be honest with yourself—are you going to pay \$25 or \$27.50 for your Spring Suit when you can choose from the best values at Meier & Frank's for \$14.85? —Temporary Annex, Second Floor.
