It is shown that for 23 days of April there have been only 58 fires. During the corresponding period of last year there were 106 fires. In January of this year there were 157 fires: in February 112 and in March 146. It is believed the camuaign being 146. It is believed the campaign being conducted by fire captains and lieu-tenants in their capacity of deputy fire marshals is directly responsible for the great decrease in the number of

fires. MULTNOMAH GRANGE TO MEET.---Mult-nomah Grange will meet today in Orient Hall, Eastern Multnomah County, when the proposed unloa high school district will be considered. Edward B. Boynton, of New York, L Pleased With Portland and Says He Will Return.

MRS. SAX ASKS DIVORCE.—Because her husband has been convicted of a felony and is now serving 12 months in the County Jall, Mrs. Rebecca Sax Thursday filed suit for divorce from Sam A. Sax. Sax was convicted of perjury in Federai Court as the oui-growth of his trial on a charge of arson. Besides the conviction, Mrs. Sax charges cruel treatment. "Business conditions in the East lool

"Business conditions in the East look better than they have at any time dur-ing the past two years. General busi-ness is better, money is easier and con-fidence is greater. Every indication points to prosperity in the near future." declared Edward B. Boynton, president of the American Real Estate Company, of New York, who was in Portland yesterday on a business trip. He left later for Seattle. The company which Mr. Boynton represents is one of the largest real estate holding concerns in SHERIDAN TO ASE NEW TRIAL-SHERIDAN TO ASE NEW TRIAL-Motion for a new trial of Thomas R. Sheridan, convicted in the Federal Court last month of the charge of misuse of funds, while president of the First National Bank of Roseburg, will be argued next Thursday. Arguments will be made before Judge Rudkin, of Spokane, who was the trial judge in this case. are boynton represents is one of the largest real estate holding concerns in the United States, having control of property valued at \$25,000,000. "In the East the tone, when I left, was one of confidence," he asserted. "People were looking for prosperity.

Brand is not a member of the committee which has started a There was a feeling that general busi-ness will continue to improve, that money is to loosen up rapidly and that good times are to hold full sway. movement to amend the charter so as to do away with commission form of government. "I am much in favor of the commission and have no connection with this committee," said Mr. Brand "This is my first visit to Portland, and in looking about the city I have been greatly impressed with the out-

look here. Portland is a substantial city. Being the head of a concern which deals directly with city prop-erty. I am in a position to judge the substantiality of a city perhaps better than the ordinary person. I have made a trip about the city gathering impres-sions. While I cannot say what might develop from these impressions I car sions. While I cannot say what might develop from these impressions I can

say that I will return to Portland at some future time. "People in the East are beginning to look with greater confidence on in-vestments in this part of the country, a fact which means much to the Coast"
