NEAR THE GATEWAY TO COLUMBIA
An ideal country for Summer homes or small farms is along the Base Line and Powell Valley roads and on the Mt. Hood electric line east to the Sandy River through the Powell Valley.

Hers you can plek out as much land as you can attend to without walking your legs off, and raise on it the best crops that bring the best prices.

A small bit of land near good transportation and on a hard-aurfaced road is better than a big bit away from it, or out among the stumps.

We offer these country homes, from one acre and larker, some fully improved with dwellings, fruit trees and betries of all kinds; every foot of land is good; on the main highways and right on the electric line at Hockwool, Eastwood, Ruby, Gresham, Gillis, Pleasant Home, Cottrell, Edgewater and Mabery, Price, size and terms to suit.

Some day, somewhere, you will have a little home in the country—pick it out now while the picking is good.
