Proceedings by which the city has procured title to a strip of ground for the extension of Morrison street from East Twentieth to East Twenty-sixth street, along the side of Lone Fir Cemetery, are to be followed by proceedings to improve the strip with cement sidewalks and curbing and later with pavement. The City Council looked over the ground yesterday. The city owns the ground necessary for the street, having procured title recently by street extension proceedings. Opening of the street will mean great improvement in traffic conditions in that part of the city.
