Anderson, Damon, Larson, Coleman, Tillery, Dewey, Blackden, Lacky, Hobgood, Johnson, Foster, Blagg, Fendall, Bryant, Beard, Smith, Sutherland, Cole, Hogan, Both and Weller.

BOYCOTT BANNER IS ISSUE

Chamber Wants Council to Submit Question to Voters.

The boycott banner issue has been taken up by the new Chamber of Commerce, of Portland, and an effort will be made to have the City Commission arrange to have it put before the people in the June election.

The matter was before the Council at a recent meeting and it was decided at that time not to place the measure on the ballot.

It is planned to carry the campaign further and circulate petitions until a number of names sufficient to have placed the measure on the ballot has been secured.

A special committee was appointed to the Council, asking that they act upon its suggestions and make the necessary provision to give the citizens a chance to vote on the matter.

COLTRIN SENT TO SPOKANE

Beaver Infielder to Appear in Indian Uniform Next Monday.

SPOKANE, Wash., April 28.—(Special.)—Shortstop Bobby Coltrin will be in Spokane's lineup Monday against Vancouver.

The Coast League player limit has forced the McCredies to give up Coltrin. Walter had to let the little speed demon go.

President Farr tonight released Pitchers Kuss, Sutherland and Miller. Ordinarily these boys would be held, but with Calahan coming and several pitchers already with the team in British Columbia, Farr felt he must cut the men loose.

Farr refused also the offer of the McCredies to ship Pitcher Frank Eastley north to Spokane if needed. Eastley has been turned back by the Salt Lake club. In the winter Farr was quite anxious to get Eastley, but Eastley made such a fuss about a tryout with a Coast club that Farr agreed to his transfer to Salt Lake.

Unless Pop Arlett can show something in the pitching line it seems certain his days are numbered. Arlett and Sheely continue to hit the ball hard and often.

VICTORIA, B. C., April 28.—Salveson had no trouble in winning his game from Victoria today, errors of omission and commission and timely hitting off Hanson giving Spokane the victory by the score of 8 to 2. Score: R. H. E. Spokane... 8 11 0. Batteries—Salveson and Brengan; Hanson and Grindell.

Seattle 5, Vancouver 3.

SEATTLE, Wash., April 28.—Timely hitting enabled Seattle to win from Vancouver, 5 to 3, today. \$800 SAVED ON \$10 INCOME

Newport County Charge Gives Example of Thrift.

NEWPORT, Or., April 28.—(Special.)—An example of almost unbelievable thrift was exposed last week, when the shack occupied for a number of years by Owen Rupert, a helpless cripple, was searched following the death of Rupert and revealed more than \$800 in gold.

For about 20 years Rupert has been a bed-ridden cripple without any funds or means of support except \$10 a month from Lincoln County. His shack was an uninviting, uncared, one-story building on piling over Yaquina Bay.

On some of the bright days of Summer Rupert would be seen sitting in a chair which he had to be helped into, but that was all the pleasure he got in life, as few Newport residents know of his existence or visited him.

Adrian Ford looked after Rupert, carrying the little food that he ate and buying the few clothes he wore during his long helpless struggle. It was from the county appropriation that the \$800 was saved after the bare necessities had been purchased.

Mr. Doyle says there will be few positions to offer to men on a salary or daily wage basis at Ship Creek, Alaska, although a limited number of railroad station men, experienced in the work, may find employment. Crews will commence clearing about May 1 and grading will be started May 15 or June 1. There will be work, it is said, for a limited number of carpenters and helpers at Ship Creek in the erection of buildings as soon as the necessary materials have been assembled. These men will be paid on an hourly basis and board will be charged at the rate of \$1 a day.
