

PUBLIC AID IS ASKED

Associated Charities Needs \$6000 to Continue Work.

DIRECTORS MAKE APPEAL

Letter Explains Requirements and Says Organization Must Have Help to Meet Demands Until Next October.

Assistance is urgently needed by the Associated Charities if that organization is to continue its work until the close of the present fiscal year, October 31, 1915, according to an appeal just sent out by the board of directors, which is headed by President I. N. Fieischner.

"This most urgent need compels us to appeal to the public.

"When we lack sufficient money families of deserted wives have to be ruthlessly scattered, the helpless and disabled go unhelped, unnecessary diseases cause anguish and poverty and lives are forced down to their lowest level.

"At present the society is the only social organization in the city specializing in the care of destitute families, emergency agencies having ceased their activity some time ago. This has placed an unusual burden upon us.

"Subscriptions to the new Chamber of Commerce did not cover philanthropic or charitable work. No grant or subsidy or donation is to be made to any charitable agency by the Chamber.

"We therefore appeal to all citizens to assist at this time. Every response means that one more family can be aided.

"Checks should be made payable to R. S. Howard, treasurer, Ladd & Tilton Bank. Sincerely yours, I. N. Fieischner, president; C. H. Meyer, vice-president; R. S. Howard, treasurer; V. R. Manning, general secretary; Morton H. Inailey, Wilfrid P. Jones, W. E. Mackay, Julius L. Meier, Amadeo M. Smith, Guy W. Talbot, Elliott R. Corbett, J. F. Daly, Mrs. A. F. Biles, Mrs. Henry L. Corbett, Mrs. E. B. Solwell and Mrs. E. J. Flynn, board of directors."

Good Things in Markets

THE good things that summer brings us are already making their appearance in market, and Oregon is doing her own share in producing them.

Hood River has sent forward ripe strawberries, large and luscious. They are offered at 25 cents a box, but then they are "our own" and when the full tide comes they will be as cheap as plums.

Strawberries are at the front with gooseberries, at 10 cents a pound, or two pounds for 15 cents.

Local rhubarb has become sufficient in quantity to warrant its being retailed for a nickel, and, in other quarters, five pounds for a dime.

The first of California's cherries are here—black Republicans—bringing 40 cents a pound. Just wait till Oregon handles her cherry crop!

Strawberries from our neighbor, the Golden State, are considerably in evidence. Those from Los Angeles bring 10 cents a box, or two for 15 cents.

California loquats are also on sale at 25 cents a pound, and from Honolulu come Alligator pears at 60 cents each.

Over at the other side of the globe this is Autumn time, and so the first consignment of New Zealand pears has come. These are a very handsome, of the Buere de Bose variety, for full 75 to 80 cents a dozen is asked.

Navel oranges are good and plentiful, and may be had as low as 15 cents a dozen for small sizes, 20, 25 and 30 cents; blood oranges 25 cents a dozen. Florida grape fruit, 10 cents each and two of these for a quarter. Those from California retail mostly at 5 cents each, and even four for 15 cents.

Lemons, 15 and 25 cents a dozen; limes 20 cents; bananas 20 and 25 cents a dozen, the red variety 25 cents; coconuts 10 cents each; cranberries 15 cents a quart.

Apples are rising in price as they get scarcer. Roman Beauty and Newtowns are now 25 cents a dozen. Newtowns are also offered at 20 cents and Arkansas Black at 10 cents a dozen; Red-checked Pippins are \$2.50, Winesap and Yellow Newtown \$2, and Merritt \$1.75 a box.

In the vegetable market: White Salmon and The Dalles are producing very nice asparagus at 10 cents a bunch or three for a quarter. All the old stand-bys of vegetables—carrots, turnips, radishes and onions—are now home-grown and are in sizes 2, 4 and 5 cents for as many bunches.

California new potatoes can now be bought as low as 5 cents a pound for small stock, and very good New Mexico stock 25 cents a pound is asked.

Cucumbers are mostly two for a quarter; artichokes, two for 15 cents; egg plant, 25 cents; green pepper 40 cents and wax and green beans 15 cents a pound.

California green peas are this week 10 cents a pound or three pounds for a quarter; lettuce heads two for 15 cents, and cabbage 5 cents a pound.

Dried onions eight pounds for a dime; spinach 5 cents a pound; celery 5 cents a bunch, and parsnips, three pounds for a dime.

In the fish market: A number of fine chinook salmon, mostly taken at the Oregon City falls, and duly tagged by the Fish Warden's deputy, are offered at 15 cents a pound.

California sturgeon and sand dabs are also 15 cents, and rock and black cod, fresh mackerel and soles, each 12 1/2 cents a pound.

Salmon trout and shrimps are 20 cents a pound. Halibut three pounds for a quarter, and sea bass 10 cents a pound or three pounds for a quarter.

Pugot Sound herring and silver smelts are each two pounds for 25 cents, the price also of squid or ink fish.

Shad and ling cod are 8 cents a pound; shad roe 25 cents a pound; sea perch 10 cents, and flounders 5 cents a pound; crabs 12 1/2 to 25 cents each.

LOBSTERS, cooked in wine, 50 cents a dozen; cooked crabfish 25 cents for the same number; opened clams 20 cents a pint.

On the delicatessen counters may be found Spanish salsola (jellied and daintily prepared) and pimento cheese, for sandwiches, each at 50 cents a pound.

FISHER'S BLEND

Costs—**MORE** per Sack
LESS per Loaf

That perfect all-purpose bread and pastry flour, is a combination of flours made from Eastern Hard Wheat, GROWN IN MONTANA and DAKOTA, and Choicest Bluestem Wheat, GROWN IN EASTERN OREGON AND EASTERN WASHINGTON.

It is superior to an all-hard wheat flour or an all-soft wheat flour for bread-baking, as well as for cakes and pastry. FISHER'S BLEND makes more and larger loaves of better bread with better crust, better color, better texture and of better flavor than an ALL-SOFT WHEAT FLOUR and makes a better loaf of bread with a better flavor, better texture and better color than an ALL-HARD Wheat flour.

The slight extra cost of a sack of FISHER'S BLEND is more than absorbed in the increased number and size of the loaves and the better quality of the bread.

ROSE GROWERS TO PLAN

Arrangement for Festival Topic for Meeting Thursday.

A meeting to discuss plans for the Rose Festival will be held by the amateur rosarians at the Portland Heights Club next Thursday night at 8 o'clock. The object of the meeting will be to acquaint the women who have charge of the booth in the Festival Center with the plans so that they can devise some scheme for artistic decorations.

While the meeting is primarily for Portland Heights and Council Crest, having been called by George W. Hoyt, president of the Portland Heights and Council Crest Improvement Association, and W. S. Dinwiddie, president of the Portland Heights Club, the representatives of other districts in the city will be invited to be present.

Officials of the Rose Festival and the Portland Rose Society will also be invited, and there will be talks by some of the best rosarians of the city on methods of decorating and on the care of the rose bushes from the present until the Festival in June.

EDUCATORS ARE RETAINED

Albany School Board Keeps All Who Desire Positions.

ALBANY, Or., April 29.—(Special.)—Professor C. W. Boettcher was re-elected Superintendent of the Albany public schools for the next school year by the Albany School Board last night.

Medford Gets Convention.

MEDFORD, Or., April 29.—(Special.)—The annual district convention of the Epworth League will be held in Medford June 4, 5 and 6. More than 100 delegates are expected from the district extending from Roseburg, on the north, to Klamath and Lakeview, on the south.

Building Better Babies

means a better crop of stalwart men to grapple with the problems of war or peace—and they cannot be built with books and sermons alone. The best food for growing boys and girls is

Shredded Wheat

because it contains every element the human body needs for building sound teeth, strong muscle and good brain, prepared in a form that is easily digested. Better than porridges for youngsters and grown-ups.

Two Shredded Wheat Biscuits, heated in the oven to restore crispness, served with hot milk or cream, make a complete, nourishing, satisfying meal at a total cost of five or six cents. Also delicious with fruits. TRISCUIT is the Shredded Wheat Wafer, eaten as a toast with butter or soft cheese, or as a substitute for white flour bread or crackers.

Made only by
The Shredded Wheat Co., Niagara Falls, N. Y.
