NEAR THE GATEWAY TO COLUMBIA

RIVER HIGHWAY.

An ideal country for Summer homes or small farms is along the Base Line and Powell Valley roads and on the Mt. Hood electric line east to the Sandy filver through the Powell Valley.

Here you can pick out as much lind as you can attend to without walking your logs off, and raise on it the best crops that bring the best prices.

A small bit of land near good transportation and on a hard-surfaced road is better than a olg bit away from it, or out anyong the stumps.

We offer these country homes, from one sace and larger, some fully improved with dwestings, fruit trees and herries of all kinds; overy foot of land is good; on the main highways and right on the electric line at Rockwool, Eastwood, Ruby, Gresham, Gillis, Pleasant Home, Cottrell, Edgewater and Mabery, Price, size and terms to suit.

Some day, somewhere, you will have a little home in the country—pick it out now while the picking is good.
