Shredded Wheat

the one universal breakfast cereal that has survived all the food fads and has become a staple breadstuff, good for any meal in any season, for youngsters and grown-ups.

Made in America

Two Shredded Wheat Biscuits, heated in the oven to restore crispness, served with hot milk or cream, make a complete, nourishing, satisfying meal at a total cost of five or six cents. Also delicious with fruits. TRISCUIT is the Shredded Wheat Wafer, eaten as a toast with butter or soft cheese, or as a substitute for white flour bread or crackers.

MacGregor, dramatic orator, of New York, and Dr. Roland A. Nichols, who is credited with having discovered Harold Bell Wright, the noted author of fiction. The assembly will be rounded out with a number of leading musical attractions.

In view of the theory that time is precious, a good deal of it is devoted to argument.
