Message Says Theater Will Be Operated Same as Before.

HOUSE MAY NOT CLOSE

Telegram From Former Owner Indicates That Showhouse Will Continue All Summer With Loew Giving Up Interest.

"Take circuit back May 17; operate same as before." This brief message from John W. Cosdine received by The Oregonian yesterday was taken to mean that the Empress Theater will not close at the end of this week...

It is known that Mr. Loew and his associates for some time have been considering returning at least a part of the circuit to the Cosdine interests...

Manager Pleron, of the Empress, said yesterday that he had not received any official information to the effect that Mr. Cosdine had resumed control of the circuit...

"We probably will be advised Monday," said Mr. Pleron. "In case the circuit, including the Portland house, is to be kept open, we can book for the show next week without any difficulty."

Mr. Pleron's instructions to close the house next Saturday came from Mr. Loew's New York office.
