

FAINS IN PRODUING FOR HAPPY HOGAN

Passing of Oldest Player of Coast League Shock to Lovers of Sport.

SEVERAL RECORDS HELD

Uniforms of Six Teams Had Been Worn During Long Service in Baseball—Deal to Become Magistrate Was Nearly Made.

Not since Helme Heilmuller's sudden demise about three years ago have Coast League fans been so shocked as when the news of Hap Hogan's passing came over the telegraph wires yesterday.

"We Mourn for Him." This sign hung on the bulletin board at the McCredie ball headquarters in the Teon building here for the entire duration of Portland Hap's generally beloved by all ball lovers, not alone for his fighting picturesqueness, but for his general good nature and ready tongue backed up by a resourceful brain.

Longest Service Record Held. Hogan, at the time of his death, was the oldest ballplayer in the Pacific Coast circuit with 31 years of active service. Norman Brashear and George Wheeler stuck with him until almost the end, but both dropped out of Coast ball before Hogan, leaving him in undisputed possession of the continuous service record.

EUGENE RESULT SURPRISE

Lesser Lights Encouraged by Lincoln's Defeat and Take More Serious View of Chances Week From Friday.

Now that the annual Oregon State interscholastic track and field meet is a thing of the past, all the Portland interscholastic League teams are beginning to look forward to their annual gathering on Multnomah Field, which is dated for a week from next Friday.

Lincoln High was picked to win at Eugene, but the best the Railspitters could do was to finish third.

THE CRIPPLE EXPLAINS HIS HURRY TO THE GOOD JUDE

THOUGHT he was using too much tobacco—Bought a pouch of "Right-Cut" the Real Tobacco Chew and says a small chew of "Right-Cut" gives him more real tobacco satisfaction and comfort than a wad of his old kind.

And he doesn't have to work it to get the taste, because "Right-Cut" is a ready chew. Get a pouch and try it for yourself.

Take a very small chew—less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is the Real Tobacco Chew. That's why it costs less in the end.

It is a ready chew, cut fine and short shred so that you won't have to grind it with your teeth. Grinding on ordinary cut tobacco makes you spit too much.

The taste of pure, rich tobacco does not need to be covered up with molasses and licorice. Notice how the rich taste of the "Right-Cut" makes you spit too much.

One small chew takes the place of two big chews of the old kind.
