### THESANDMANSTORY BY MRS F.A.WALKER.

Jack Rabbit Is Tricked,

NE day about dinner time Ja Rabbit was hurrying home along the road, thinking how much he was going to enjoy his good dinner that going to enjoy his good diffiner that was waiting, for that morning he had got Mrs. Rabbit a whole lot of nice lettuce and peas and green corn that rabbits just love. "My, but how I am going to enjoy that dinner!" he said to himself, and trotted on faster at the very thought of it.

Now, old Billie Possum, who is just
as lazy as he can be, was lying behind
a stump wondering how he was going to get a dinner without working for it, and he heard what Jack Rabbit said to himself. He winked his eye and laughed, and then he went scurrying through the bushes to get down the road ahead of Jack Rabbit.

Soon Jack Rabbit came along and he heard somebody groaning over in the

"That sounds just like Bridge aum," said good-natured Jack Rabbit.
"I'll go and see what I can do for him." "What's the matter?" asked Jack Rabbit. "Are you suffering?"
"I'm just starving to death," moaned Billie 'Possum.
"Why, I can make you well right away," cried Jack Rabbit, forgetting all about his own hunger in his wish to help someone else. "Just wait a minute." And with that he hurried home just as fast as his four legs would carry him and put all his nice hot dinner in a basket and carried it down to Billie 'Possum. Then the lazy fellow foit too stuffed to walk home, so he said:
"Jack Rabbit, I'm too weak to gethome. Won't you carry me?"

After trying Fruitola and Traxo, Mrs. L. C. Clark, 840 Melba St., Dallas, Texas, wrote to the Pinus laboratories as follows:

"I have been a sufferer from gall-stones, and Fruit-

ola and Traxo was recommended and I am glad to say I took advantage of your most wonderful medicine,

Fruitola and Traxo are two remedles that are used in combi-uation. Fruitola acts on the intestinal organs as a powerful lubri-cant, softening the congested waste and breaking up the hardened particles so that easy elimination follows quickly, to the great relief of the patient. Traxo is a compound of splendid tonic prop-erties, of special value in strengthening and restring the system that has been weakened by constant suffering.

The Pinus laboratories have many letters on file testifying to the merit of Fruitola and Traxo; letters from people who have used the remedy and know from actual experience what it has done for them. For the convenience of the public, arrangements have been made to supply Fruitola and Traxo through leading drug stores. In Portland they can be obtained at the stores of The Owi Drug Co.

Boudoir Secrets.

The judicions use of a delutone paste nsures any woman a clear, hairless skin. To prepare the paste, mix a little of the powdered delatone with some water, then apply to the objectionable hairs for 2 or 3 minutes. When the paste is removed, and the skin washed, every trace of hair will have vanished. No pain attends the use of the delatone and it will not mar the most sensitive skin, but to insure results, see that you get real delatone.-Adv.
