The Fire

Fire broke out at the Baron-Fulop Company's wholesale house at Fifth and Davis on the night of April 7. The quick response of the fire department and their strenuous efforts saved thousands of dollars' worth of New Spring Meritorious Clothing and Furnishings that was ready for distribution among retail merchants of the West.

The bulk of this stock was never touched by fire, while a goodly portion was slightly damaged by fire, water and smoke. The stock was partly and slightly damaged.

The Baron-Fulop Company being unable to make full and complete shipments have ordered the stock disposed of. Hence this great Fire Sale.

The Loss

As this stock was fully insured, the insurance companies are to stand the loss and a greater loss is yet to come when the merchandise involved will be marked at very low prices for retail distribution. THIS SALE WILL BE CONDUCTED IN SEC-TIONS. Being unable to find larger quarters in the retail district to house the entire stock we have rented the corner store in the Yeon building and we will proceed to dispose of these stocks in sections.
