The Name Behind the Goods

In 1842 a sturdy pioneer started in a crude shed what has since become this immense plant with its world-wide business. Little did he realize then how thousands—yes, hundreds of thousands -would be affected in later days by the simple code of sound business principles he then formulated. This code of business honor has caused grandfathers and fathers

CASE products. That is why so many men today believe in the CASE Car. The name behind it signifies generations of success. It recalls their fathers' words that the CASE Hidden Values are always as great as CASE Seen Values.

What other car has such a pedigree?

All those fundamentals that have made the name of CASE famous are incorporated in the CASE Car. Which is another way of saying that this car is thrifty in upkeep and unusually long-lived. Mechanical excellence

has been combined with beauty of outline and ease of operation. Men know they can place their faith in CASE.

And best of all, low owning cost is preceded by low buying cost. For the CASE Car, unlike others, comes really ready for the road, equipped with those necessities one has to buy later. Such as Extra Tire and Tube on Rim with Tire Cover, Weed Non-Skid Tire Chains and 8-Day Clock.

All these additional features are covered by the first price-\$1350-with a 5 per cent discount for cash.

Surely, when you see the CASE Car and ride in it-when you know its supreme superiorityyou will consider its purchase a fortunate investment. Especially as time goes on.

Any day you wish to inspect the CASE Car

and learn more about its values, seen and unseen, we are at your service. Will you come in today or tomorrow? J. I. Case T. M. Co., Inc. Racine, Wisconsin
