

Man and Wife Reconciled.

Tra Brown is survived by a wife and five children. He owned a farm seven miles from Blachly. Jay was unmar-ried and owned a farm three miles nearcer Blachly. Both are about 35 years of age. Mr. and Mrs. Brown are said to have Mr. and Mrs. Brown are said to have

and Brown fell. Jay had used another's gun. Chang-ing this for his own he left the place and fled to the mountains. H. H. Earle, deputy sheriff deputized A. Jackson, who followed the trail into the moun-tains. At 4 o'clock he found the body where her head shain binsalf

acter from that of his brother, whose threats and daring had terrorized the community for years. It was Allen Jay who played hide and seek with the officers from time to time, and who entered the room where they slept upon one occusion, leaving word that he had been there. Another time he stepped from the for-est into the road to meet the officers unexpectedly face to face. He escaped before they could recover from their surprise.

Coroner Ventch plans to leave early in the morning for the scene of the shooting.

EALTIMORE, May 19.—The National Conference of Charities and Corrections tonight concluded its sessions here with a consideration of social hygiene. Mrs. Martha P. Falconer, chairman of the committee on social hygiene, re-ported that one of the most interest-ing and hopeful developments during the year had been the passage of what has come to be known as an injunction and abatement law—"the most effective

pany's mining camps at Sunrise, Wyg., completes his testimony.

years of age. Mr. and Mrs. Brown are said to have separated several days ago, and she went to the home of her sizter. Mrs. Mary Keck, near Greenleaf. It was here that the shooling occurred, Reconciliation is said to have been brought about between Mr. and Mrs. Brown, and they went fishing together to the Keck home at noon, where they met Jay. No one saw the shooling, to the Keck home at noon, where they met Jay. No one saw the shooling to the keck home at noon, where they met Jay. Italians Have Phonographs Singing to German and Austrian Consuls.

ROME, via Paris, May 19 .- Certain esidents of Rome have discovered a new method of conveying their sentiments to the official representatives of Austria and Germany. The German and Austrian Consulates are situated near each other in Gregoriania street. Residents of the nearby houses have placed phonographs in their windows, the orns pointed toward the Consulate, All day long these phonographs clambrously grind out Italian national airs.

dominates politics "as much as it dares, but not to such an extent as it did before the strike." Mr. Gaddis compared the condition of the miners in Colorado before the strike to that of the Colonists before the American Revolution, saying "there was a conviction among the miners that it was impossible to get justice from the government." He justified the violence of the strike and the re-volt against authority because of re-pented failure through other channels to get constitutional rights. Fort Andrews Guns to Throw Half-Ton Shells 8 1-2 Miles. BOSTON. May 19.—Several new mor-tars recently mounted at Fort Andrew, and capable of hurling projectiles weighing balf a ton eight and a half miles, were tested today. They are so the coast. The projectiles are not explosive, be-
