Today's Schedule. flan Francisco at Portland; Venice at Oak-land; san Lake at Les Angeles,

Barring train wrecks and cloudbursts, San Francisco's ball club will make its first appearance in Portland this afternoon as counter attraction to the circus. Partly for this reason today's game will not commence until 3:30 o'clock, the rest of the reason for the tardiness being the late arrival of the Portland clan from Los Angeles. The Shasta does not pull in at the Union Depot until 1:50 o'clock, and while this is a little better than the old 2:30 hour, still the boys will feel better with a little rest under their

Last week Portland came to life and won four out of five games from Venice, while over at Salt Lake the Bees took San Francisco down the line three games out of four. This series was much rained upon. Finless the weather man changes his mood sud-denly there may also be considerable denly, there may also be considerable ess hereabouts during the next few days. On the three weeks' trip Portland

won two series and lost one. This one bumpy series was a clean six-game sweep to Oukland, so the Beavers' victory record is only seven games, as against nine defeats—rather an un-usual situation. Owing to Memorial day, eight games

are scheduled for the coming series. San Francisco holds over for two games on Monday, one in the forenoon and another in the afternoon. No game will be played on Tuesday of next week, but the Oaks will battle. Portland in a double bill the following

Today also will mark the debut of Portland's new infleider, Milton Reed.

Whether or not Elli Rodgers will join Portland during the coming home sojourn will be known definitely within a day or two. W. W. McCredie telegraphed the Boston Americans yestout Rodgers. If the Sox want him Bill will join them immediately; if not, it is believed he will report to the Bosvers.

ST. LOUIS, May 24.—Loudermilk, pitching wild during the remaining half, gave Boston only two hits today and helped St. Louis to win by 4 to 3. Agnew, in rounding first base in the seventh inning, collided with Gainer, forcing the latter to retire for the day with a wrenched arm. Score:

Hagerman's Two Passes in Second Big Factor in 4-5 Defeat.

CLEVELAND, May 24.-Philadelphia defeated Cleveland today, 5 to 4, bunching three hits with Hagerman's two passes and Leibeld's muff in the second inning for four runs. Jackson's error gave Philadelphia another in the third. Cleveland hit Shawkey hard throughout, but brilliant work by Oldring and Walsh kept the score down.

Chicago 5. New York 4.

CHICAGO, May 24.-Extra base hits. CHICAGO, May 24.—Extra base hits, which included home runs by Brief and Fournier, gave Chicago a 5-to-4 victory over New York today in the first game of the series. Russell pliched a good game, but received erratic support and when the visitors threatened to the the count he was succeeded by Cicotte, who pitched the locals to

safety.
Schulk was hit on the head in the eighth inning and was knocked un-conscious. He had to retire from the game. The hitting of Schalk forced the winning run across the plate.

Since being discarded by Portland and shunted off to Spokane, Herb Murphy has been pounding the ball at a terriffe pace. YOU can go a long time on one small chew of "Right-Cut"-the Real Tobacco Chew -and all the time you'll be getting the satisfying taste of rich, mellow tobacco, seasoned and sweetened just enough. It's a ready chew-the taste comes steady and easy like.

Everybody likes it-you hear men say it's better than the old kind and more lasting. Get a pouch for yourself.

Take a very small chew-less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is The Real Tobacca Chew. That's why it costs less in the end. It is a ready chew, cut fine and about shred so that you won't have to grind on it with your teeth. Grinding on ordinary candied tobacco makes you spit too much.

The taste of pure, rich tobacco does not need to be covered up with molasses and rice. Notice how the salt brings out the rich tobacco taste to "Right-Cut." One small chew takes the place of two big chews of the old kind.
