QUEEN OREGON GIRL

Miss Baker Desires to Rule Over City of Smiles.

EVERYBODY HAPPY, DECREE

Lodges Thanked for Support in Campaign—Excursion for Royal Party to Cascade Locks on Sunday Planned.

Miss Sybil Baker, queen of the Portland Rose Festival, who with her 12 princesses and maids of honor will preside over the celebration in honor of the Portland Rose, June 9-11, is an Oregon girl, and the granddaughter of an Oregon pioneer.

Miss Baker had hardly become used to her newly acquired royalty yesterday, and solemnly announced that she really did not know what the policy of her reign over the people of Portland would be.

"I want everybody to be happy and smiling," she said, "and I guess that you might call that my policy as queen of the festival."

"I do want to express my thanks to the members of the Woodmen of the World and the Women of Woodcraft for the campaign they put up to elect me to the office of queen, and I want to thank the Festival Board for its fairness and courtesy to all of the contestants in the campaign."

"I think that it is especially nice that the arrangement has been made that all of the girls who stay in the race and worked until the end are to have a part in the festival court."

The decision of the board, Sunday night, which declared Miss Baker queen of the festival and provided for 12 princesses and maids of honor, was endorsed by all who participated in the campaign yesterday and great enthusiasm for the success of this feature of the festival was expressed.

F. S. Kingsbury, of The Dailies, Portland & Astoria line, has arranged to take the queen and her court, with the Festival Board, on an excursion to the Cascade Locks Sunday.

Many of the organizations of the city are preparing to have the new queen and her court as guests of honor at meetings to be held in the near future.

VICTIMS YET IN DANGER

Driver of Truck in Collision With Car Is to Be Tried Today.

Though it is believed that they will recover, all danger is not yet past for Miss Dorothy Clark and her brother, Bert Clark, victims of an accident at East Twenty-eighth and Burnside streets Friday night, it was reported at the Good Samaritan Hospital yesterday. Mr. Clark's right foot was amputated and his left leg was fractured. Miss Clark is believed to have a fractured skull, in addition to numerous bruises.

The two were injured when an automobile fire truck struck them in a collision with a streetcar. F. W. Ayer, driver of the truck, will be tried in Municipal Court tomorrow on a charge of reckless driving.

John R. Mott, International Y. M. C. A. Student Secretary, Who is Expected in Portland Friday.

Parties to See Sights of City Climb Mount Hood and Banquet at Multnomah Falls—Roses to Bank Association Lobby.

Two days, Friday and Saturday, will be devoted by the Portland Y. M. C. A. to the entertainment of more than 80 association secretaries, some of them known internationally, on their return from the Employed Officers' Conference of North America at Astoria, Cal. Led by H. W. Stone, general secretary of the Portland association, the first party will reach Flavel on the

steamship Northern Pacific tomorrow night.

Word was received late yesterday from Mr. Stone by C. N. Wonnacott, assistant general secretary, that a large excursion of the secretaries will arrive in Portland en route to the East after the conference.

After a reception to the visitors Friday in the rose banked lobby of the association, automobiles will take the parties on sightseeing trips over the city, visiting all of the points of interest, and then make for the Columbia River Highway for an outdoor banquet at Multnomah Falls, where a number of the prominent guests will speak.

Mount Hood to Be Climbed. Portland association members will be added to the party that, later in the night, will start for Government Camp to begin the ascent of Mount Hood Saturday morning. It is expected that A. M. Griley, the association physical director, will lead 60 climbers to the top of the mountain, returning Saturday night.

The 40 secretaries who will arrive Saturday in the second party will travel about the city and along the highway, but will miss the ascent with the mountain climbers.

John R. Mott, international student secretary who declined President Wilson's tender of a diplomatic post, and Frank W. Ober, editor of "Association Men," the official organ of the Y. M. C. A., are expected among the visitors.

More Roses Are Needed. A. M. Smith, F. C. Knapp and R. S. Huntington are named on the committee of directors by W. M. Ladd, president of the Portland association, to arrange for the entertainment of the guests.

The routing of the secretaries through Portland was accomplished by Mr. Stone, who, several months ago, sent letters to Eastern association men asking them to visit Portland and the Pacific Northwest on their way to the fair. He expects several thousand Y. M. C. A. men this summer.

Promises of roses are not quite equal to the decoration scheme and Mr. Wonnacott requested additional donations to make the association buildings more attractive when the parties arrive.

It is the plan to erect an auditorium on the corner of East Madison and East Thirty-seventh streets, and to use the present chapel for the Sunday school. Rev. W. A. Spalding, last pastor of the Third Church, resigned several months ago.

Baby's Happiness Depends on Health. Cross, fretful babies usually need a laxative to make them comfortable, and comfort begets happiness. Constipation is the cause of much discomfort. Mothers should watch closely the condition of their children's bowels and see that they are regular. A mild, pleasant-tasting laxative such as Dr. Caldwell's Syrup Pepsin is ideal for children because of its natural composition and gentle action, and because it contains no opiate, narcotic or other harmful habit-forming drug. Dr. Caldwell's Syrup Pepsin is sold by druggists everywhere. A teaspoonful at bedtime will bring easy, certain relief. A free trial bottle can be obtained by writing to Dr. W. B. Caldwell, 412 Washington St., Monticello, Ill.
