## SCHOOL VOTES JUNE 19

**NOTICES POSTED FOR ELECTION TO BE HELD FROM NOON TO 5 P. M.**  
 New Law Requires List That Officials May Check Up and See That All Voters Are Taxpayers.

R. H. Thomas, clerk of the School Board, yesterday posted notices for the school election on Saturday, June 19, in accordance with the law's requirements. The newly-prescribed hours for the election are from 12 noon to 8 at night. Only taxpayers will be privileged to vote, as in former years. However, that provision of the new law which requires the election officials to have in their possession a complete list of all the registered voters who are taxpayers cannot be complied with, as only the registration lists used in previous elections are available. In the future, when persons register, they will be required to state whether they are taxpayers. These taxpayers' lists then will be available for use at the school elections. Only two candidates have filed for the vacancy in the School Board. One is Dr. A. E. Sommer, who is a candidate to succeed himself. The other is S. R. Lockwood, a well-known Portland insurance man.

## FATAL ILLNESS IS SHORT

Man Long Prominent in Oregon as Sheriff of Linn County and United States Marshal—Funeral to Be Held Today.

Funeral services for George Humphrey, 82 years old, for many years bailiff in the United States District Court, who died Sunday, will be held at Holman's chapel, Third and Salmon streets, at 2 o'clock today. He will be buried at Albany tomorrow.

There are few lawyers of Portland who will not recall "Uncle George."

George Humphrey, Veterans Deputy United States Marshal and Federal Court Bailiff, Who Died Sunday.

Humphrey, the kindly old gentleman wearing a skull cap, with a nod, a smile or a wave of the hand for those who sat at the bailiff's desk in Judge Bean's courtroom. Mr. Humphrey filled his usual duties there Thursday, and adjourned court. He had spoken the next day, not the next, and on Sunday morning he quietly passed away in his rooms at 294 Salmon street. Heart trouble brought on by an asthmatic ailment from which he had suffered for some years was the cause of his death.

Mr. Humphrey was born in Ohio in 1833. As a young man, he removed to Iowa, and in 1865 crossed the plains to Oregon. For one year he farmed at Mount Tabor, at that time not a part of Portland, but in 1866 went to Albany.

He was Sheriff of Linn County from 1882 to 1884. In 1884 he moved back to Portland. He had been continuously in the Government service since then. United States Marshal and for the past eight years as bailiff.

For 40 years Mr. Humphrey had been an active Mason. John's Lodge, of Albany, will conduct the service at the grave tomorrow. Mr. Humphrey will be buried beside his wife, who died nearly 20 years ago. He was a Knight Templar and member of the Ancient Order of United Workmen.

A son, W. W. Humphrey, is publisher of the Jefferson Review, of Jefferson, Or., and another son, W. A. Humphrey, is wire chief for the Western Union in Portland. A sister, Mrs. W. Q. Stewart, lives at Albany.

**Steelworker Fined as "Stealworker" by Judge.**  
 Young Men Found Loitering Around Keys in Possession Pay Penalty.

**CAUGHT** prowling around automobiles, with four keys, fitting different makes of machines, in their possession, George Nash and D. W. Stevenson were arrested by City Detectives Royce and Moloney last week and appeared in Municipal Court yesterday on vagrancy charges.

They admitted having the keys and inspecting numerous automobiles. Pleaded that they merely had been interested in the cars from a professional, mechanical standpoint, and had no intention whatever of appropriating any of the cars.

There have been numerous automobile thefts lately and Municipal Judge Stevenson is not lenient with such culprits.

"What do you do for a living?" asked the judge of Stevenson.

"I'm a steelworker," responded the young man.

"You want it there young fellow," interpolated Detective Royce. "Steelworker is right."

"The circumstances are suspicious," decided the magistrate, and he fined each of the young men \$25.

## LOCAL HOUSE FACES A CRISIS

Portland's Player Piano House Compelled to Make Great Sacrifice.

I will sell very fine brand new player pianos for \$230, and for \$255 I will sell on payments of \$35 down and \$11 a month, twenty months, nearly two years, to finish paying for a piano or a player piano.

This is a bona fide help-me-quick offer.

I have some used pianos, too, and good ones. Will take \$65 for a Steinway piano, \$55 for a Fischer, \$80 for a good reliable W. W. Kimball.

Everything else, including baby grands, at same rate of reduction. My offer is genuine; no one can say these figures are high. There are plenty of families who need pianos; there are plenty of people with money who can pay me the cash; but all can buy now because I'll sell on easiest payments.

If I don't act quickly I jeopardize my business. Come at once, or telephone or let me send you catalogues. I haven't any agents or traveling men. You are dealing with the head of the house, the man who has built this business up to its present success and wants to remain identified with Portland and Oregon and the music trade for all time to come. My guarantee is as good as anybody's. It is issued by the factories and countersigned by me. We have hundreds upon hundreds of satisfied customers and, even though we don't make a dollar of profit in this emergency, we are going to take just as good care of the interests of buyers now as we have in the past.

Store open nights, till sale closes. E. H. HOLT, Pres. E. H. Holt Piano Company, Northwestern National Bank bldg., just below Broadway, at 333 Morrison street.

For \$155 I will sell them on time, say \$15 down and \$7 a month.

be offered to and from the train for those who are unable to walk to the cars. Large contingents will attend the picnic from Bolton, Willamette, West Linn, Maple Lane and other suburbs of the county seat. Fully 800 persons are expected to make the trip. Arrangements have been made to postpone the trip at almost the last minute should the day prove stormy.
