Other States to Copy. Just such a group of representative peo-ple are coming every day to find out how Oregon has been able to make such an ad-vance in her rural school system. The ex-hibit is sure to produce good results, for those who adopt it to their home states will speak of it as the "Oregon system." and those who are thinking of coming to Ope-gon to live, always come to the educational booths to find out what kind of schools we have in Oregon.

A man called on me who had that day have in Oregon. A man called on me who had that day been invited to manage a large husiness in Portland. He came to me to ask about the Portland schools. The position was a good promotion for him, but he would not con-sider it until he knew the condition of the Portland schools. Portland schools,

Fortland schools. I was able to show him that no city in the country has a more modern or effective school system than Portland. He then wished to know which school in Portland had the best primary instructors. As he was going to Portland to look over the city, I referred him to Miss Ruby Shearer, primary supervisor of Portland.

Came to Her Rescue

From her home in Mountain Park, Oklahoms, Mrs. O. A. Strange writes to the Pinus laboratories:

"I am taking Fruitola and Traxo for gall-stones with good results. If it had not been that it came to my rescue, I would have been dead I am sure. I cannot say too much for Fruitola and Traxo."

Fruitola possesses properties that act directly upon the intestinal parts. It is a great system cleanser, softening the congested waste and disintegrating the hardened particles that cause so much suffer-ing, and quickly expels the accumulation to the intense relief of the patient. Trazo is a tonic alterative that acts on the liver and kidneys, stimulates the flow of gastric julees to ald digastion and removes blie from the general circulation. It serves to build up and strengthen the weakened, run-down system.

For the convenience of the public, arrangements have been made to supply Fruitola and Traxo through leading druggists in Portland. They can be obtained at the stores of the Owl Drug Co.
