# **NEW JERSEY CHIEF** DUE HERE SUNDAY

Mr. Withycombe and Reception Committee to Greet Mr. Fielder and Party.

#### AUTOMOBILE TRIP PLANNED

After Breakfast at Benson, Visitors Will Tour Columbia Highway. Teneral White and Staff Members to Aid in Welcome.

Portland seems to lie right in the beaten path of the globe-trotting Gov-

beaten path of the globe-trotting Governors of sundry Eastern and Western states. Another is due here next Sunday. He is James R. Fielder and when not globe-trotting governs the people of New Jersey.

Governor Fielder is the 'teenth Governor that has visited Portland within the last two weeks or three, but he is to be accorded a reception by the Portland people just the same as if he were the only Governor, outside our own Oregon Governor, who ever trod his foot upon Portland soil.

A reception committee consisting of the following Portland people has been chosen to do the honors when Governor Fielder comes to fown: Mayor Albee, Dean Vincent, who is chairman; O. M. Clark, Edgar B. Piper, C. S. Jackson, John F. Carroll, W. J. Hofmann and J. Fred Larkon.

Mr. Withycombe to Greet Party. While he is not a regular member of the committee, Governor Withycombe, too, will be here to receive the visiting Governor. The Oregon Governor will pass most of the day in Portland. He will be accompanied by Adjutant-General White and several members of General White's staff. This formality is included because Governor Fielder has, among his traveling companions, several members of his

meinbers of General White's staff. This formality is included because Governor or Fielder has, among his traveling companions, several members of his personal staff.

That's an ornamental asset that the Governor of Oregon doesn't possess—a personal staff. Such staffs are popular through the East and as far West as Idaho, and consist, as a rule of a small party of alert, active, well-groomed and more or less handsome fullitin officers, who accompany the Governor on his wanderings in or out of the state. In the case of a small staff, it is generally out, because a Governor can't travel

ROBERT BOICE CARSON, conductor of the Madrigal Club, of this city.

is entitled to considerable credit for a successful musical achievement. Last night he presented his Madrigal Club in its second concert this season in the ballroom of the Multnomah Hotel, with Mrs. Dalsy Ross, contralto, and Albert K. Houghton, barltone, as soloists, and the affair was another gratifying success.

Twenty members sang in the Madrigal Club, five voices in each part of soparano, contralto, tenor and bass. The Madrigals—a difficult form of part song—were two, and included exquisite selections by Leslie and Lahce. Both were sung with spirit and fine, shaded attack. One part song, "Summer Is a coming In," is supposed to have been composed in the 13th century, and is not only a rarity but a pleasure to hear in bell effect. "The Mad Fire Rider" (Hugo Wolf) is a study in dramatic rendition, and belongs to the weird class. It was interesting to watch the choral discipling of the club, in intons.

Mrs. Ross was in splendid voice, and her contraite was heard to advantage in three songs by Ross, Wright and Coleridge-Taylor, and in one specially effective dramatic solo, "My Heart Is Weary" (Goring-Thomas).

Mr. Houghton gave a stirring, rousing rendition of the "Prologue" from "I Pagliacel" (Leoncavallo), and also pleased in three numbers by Freehey, Sanderson and Liza Lehmann, the latter selection being "Myself When Young" from "In a Persian Garden," Mr. Houghton's voice is gaining in appre-Houghton's voice is gaining in appre-ciation of proportion and sonorous finish. **ANTI-KAMNIA TABLETS FOR** Locomotor

In a very interesting article on Locomotor Ataxia, Dr. Henry U. Story says that drugs have practically no beneficial effect in these cases. He says that rest about be insisted upon, and there should be no worries or troubles. Pienty of fresh air and moderate exercise must be insisted upon, but over-axertion is injurious. The use of tobacco and alcohol should be strictly forbidden, and over-eating is dangerous, especially when the food is poorly masticated. The food must be of the most nourishing kind, and the quantity and variety must be changed so that the patient will not lose bis appetite. The most annoying symptom in these cases is the pain which at times is almost unbearable. Dr. Story says that be finds two Anti-kamnia Tablets repeated in an hour if necessary, gives prompt relief and rest to the patient. These Tablets can be obtained at all druggists in any quantity nesired. Ask for A-K Tablets.
