CONGREGATION TO DISCUSS CONSOLIDATION.—The congregation of the Third Presbyterian Church will meet next Thursday night to take up definitely the question of uniting with the Hawthorne Presbyterian Church. Tentatively both churches voted in favor of union last year, but beyond that no actual stems have been taken toward union last year, but beyond that no actual steps have been taken toward this union. However, the resignation of Rev. A. L. Hutchison, pastor of the Third Church, opens the way toward consolidation, it is said. In his address last Thursday night to the congregation he urged that whatever proceedings are taken hereafter that they be made a matter of record, and that the entire membership should be united in the mevement. The matter to be dethe movement. The matter to be decided, he said, will be selection of a pastor for the united church, adjusting property interests and selecting which church building will be used. Both congregations own a church and manse and have about the same membership.

LONG SICKNESS

Yields To Lydia E. Pinkham's Vegetable Compound.

Elkhart, Ind :- "I suffered for fourteen years from organic inflammation,

female weakness, pain and irregularities. The pains in my sides were increased by walking or standing on my feet and I had such awful bearing down feelings, was depressed in spirits and became thin and pale with dull, heavy eyes. I had six doc-

tors from whom I received only temporary relief. I decided to give Lydia E. Pinkham's Vegetable Compound a fair trial and also the Sanative Wash. I have now used the remedies for four months and cannot express my thanks for what they have done for me.

"If these lines will be of any benefit you have my permission to publish them." - Mrs. Sadie Williams, 455 James Street, Elkhart, Indiana.

Lydia E. Pinkham's Vegetable Com-

pound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

If you have the slightest doubt that Lydia E. Pinkham's Vegeta-ble Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.
