What Long Term Restrictions Mean?

DO YOU KNOW what it means to spend years fixing up a beautiful home in a high-class residence district and then, on account of short-term restrictions, have a grocery store, garage,

DO YOU KNOW that many of the residents of the highestclass residence districts in Portland are today QUIETLY trying to trade their beautiful homes for LAURELHURST property on almost any terms?

Why? Because the restrictions in their neighborhood are expiring daily and will be entirely removed within the next three years, and consequently they want to "get out from under."
