BILLIE BURKE FINALLY ACHIEVES HER GOAL

Long-Cherished Hope of Charles Frohman's Popular Young Star Realized in "Jerry," Which Opens Tonight at Heilig Theater.

"Jerry," the comedy by Catherine Chisholm Cushing, in which Miss Billie Burke will be seen at the Heilig Theater, Broadway at Taylor, three nights beginning tonight, 8:15, with a special matinee Saturday, Charles Frohman's popular young star has realized a long-cherished ambition. In this piece Miss Burke impersonates an American girl for the first time and it is also the first play of American manufacture in which she has appeared. Miss Burke is an American girl herself, being born at Washington, D. C., and she is proud of the fact. Consequently she always has wanted to play an American girl on the stage. Mr. Frohman promised her soon after she became a star that he would give her an American role to play just as quickly as he could find a suitable one. Somehow or other, though, they didn't seem to be writing that kind of a part.

Quality Wins

In the race for business many firms buy shoes which "LOOK LIKE" high-grade shoes, copying the lasts, styles, etc., so that to the average citizen they LOOK LIKE good shoes.

It is only after they are worn that the difference is discovered, for such shoes soon lose their shape and often cause burning, aching feet.

Many of these shoes are stitched on the inside and, in order to deceive the public, a covering is pasted over these stitches, but after being worn that covering will not prevent the stitches chafing the feet.

This firm will not sell such shoes. Only high-grade welt shoes are sold by us, as we sell SHOE SATISFACTION in every sense of the word and our established trade has been secured by giving the public the BEST SHOES MADE for the money.

We maintain that the CELEBRATED HANAN SHOE IS THE CHEAPEST SHOE ANY MAN OR WOMAN CAN POSSIBLY BUY, although the first cost is higher than many others. They have stood the test for over fifty years. Try a pair.

Ask the man or woman who wears them.
