

# 12 ROAD BIDS ALL TO BE OPENED

## Prices for 73 Miles of Highway Are Declared to Set New Record.

### TWO BID ON WHOLE JOB

Other Companies, However, Offer to Handle Only Certain Units of Enterprise; Protection on Patent Rights Asked by Some.

Twelve bids for the paving of all or part of the 73 miles of roads in Multnomah County to be hard-surfaced under the \$1,250,000 road bond issue were opened and read yesterday at what was virtually an all-day session of the County Commissioners.

Here are the names of the bidders: Montague-O'Reilly Company, Warren Construction Company, Standifer-Clarkson Company, Boyjohn Arnold Company and Hans Peterson, Oskar Huber, Oregon Hazzam Paving Company, G. K. Hewitt and Jeffery & Burton, Pacific Bridge Company, Giesbach & Joplin and James M. Ambrose, all of Portland; the Oregon Hazzam Construction Company, of Sacramento, Cal., and the Olympic Paving Company, of Hoquiam, Wash.

The bids generally were regarded as being very low. In fact contractors who have followed the paving situation here for many years declared that in the case of warrents (bitulthitic) especially, the bids were the lowest ever submitted here.

**Bids Sent to Roadmaster.**  
The first bid was opened at 11 o'clock. With an hour and a half off for lunch, it took until nearly 5 o'clock to finish the reading of the last of the bids. Some contained as many as 100 typewritten pages.

After the bids had been read, the Commissioners referred them to Roadmaster Yeon for tabulation and recommendation. This will take several days. The Commissioners will then hold a conference with the roadmaster to consider his recommendations for awarding of the contracts.

The Commissioners adjourned until 10 o'clock Monday morning, but it is by no means certain that the contracts can be awarded before that time. There is an enormous amount of work ahead of the roadmaster and his assistants. Road Engineer Nunn, in tabulating and comparing not only the bids on the pavements themselves, but the accompanying figures for 22 other items, including excavating, fencing, culverts and the like.

The Commissioners had asked for bids on 27 road units. The Powell Valley and Foster roads and the Capitol Highway (Slavin road) were the only ones listed as complete units in themselves.

**Extension Proposal Offered.**  
The Base Line road, Canyon road and Sandy road were divided into two units each, the Columbia River Highway into five units and the St. Helens Road into 18 units. The units were determined by differing conditions in the sections of highway included in each.

The bid of the Montague-O'Reilly Company was the most comprehensive submitted. This concern bid not only for paving out of the road units, but submitted bids on every one of the 17 types of pavement specifications which had been advertised by the Commissioners.

The Warren Construction Company was the only other concern to bid for paving out of the road units, but submitted bids on every one of the 17 types of pavement specifications which had been advertised by the Commissioners.

### ENTRIES CLOSE AT NOON

#### Mayor Albee to Fire Starting Shot at 5 o'Clock—Lads Advised to Assemble 45 Minutes Before Time Set for Contest.

Today a new champion will be determined in Portland—the champion roller skater of Oregon. Promptly at 5 o'clock this afternoon Mayor Albee will fire the shot sending nearly 100 Portland youngsters on their way around a three-mile Marathon course over the city streets.

This novel roller-skate Marathon is being engineered under the auspices of The Oregonian, with the sanction and co-operation of the Rose Festival Association. It is planned to make it an annual feature of the Festival.

The race proper will start from the Oregonian building, at Sixth and Alder streets, and will be entirely on well-paved streets.

**Lists to Close at Noon.**  
As the entry list does not close until this noon, it is impossible to announce the complete list of entrants, but it is believed that nearly 100 ambitious youngsters from all sections of the state will be in line.

The prizes will be beautiful gold watches for first, second and third places, and ornate nickle timepieces for fourth, fifth and sixth positions. The watches will be suitably engraved with the names of the winners, date and the occasion. The watches are on hand in the window of Joseph Sauffig, cigar store, Sixth and Washington streets.

Entries have been coming in rapidly of late. Today will be the last opportunity youngsters will get to enter this year. The entry list will close promptly today at noon, and every boy who expects to compete should be on hand to turn in his entry blank and obtain his number, if he has not already done so.

**Boys to Assemble at 4:45 P. M.**  
The boys will be weighed in just before the race and will then take their places in line according to their number. The boys are expected to take their places at 4:45 o'clock. They will require about half an hour for the weighing, and the entries must be in line at Sixth and Alder streets at 4:45 P. M. for the start.

The boys of the event are requested to appear for duty at The Oregonian corner at 4:30 P. M. Director-Generals Roscoe Fawcett and Will Lipman will have charge of the affair. The inspectors will be taken in charge and assigned their duties by Martin Hawkins, clerk of the course. The list of officials follows:

Director-Generals, Roscoe Fawcett and Will Lipman.  
Clerk of course, Martin Hawkins.  
Inspectors, Owen Summers, Floyd Brower, J. H. Dundore, J. P. Jaeger, J. Richardson, Herbert Siebel and H. Kilham.

Sixty-six entries had been received by the roller-skate editor yesterday in time to be included in the published list. There were a number, however, who were too late to be listed here. The boys' names who were not included, and he has sent in his entry blank, he should see the roller-skate editor, room 215, The Oregonian building, today at noon for his place in line.

**Alleged Wife-Beater to Be Tried.**  
MARSFIELD, Or., June 9.—(Special.)—John Sillwell, formerly a resident of this county, who is alleged to have deserted his family ten years ago, was returned to the county seat this week on an indictment and is to be tried at the next term of court. Stillwell followed a religious itinerant away from here and was located in Vancouver, Wash.

**Austrian Women Beg to Enlist.**  
BERLIN, via London, June 9.—From the town of Brixen, in the Austrian Tyrol, numerous requests have been received by the authorities in Vienna from women begging to be allowed to serve in the ranks as soldiers. It has been explained that such service is impossible.

**Warren Company Estimate \$1.19.**  
The Warren Construction Company bid a straight \$1.19 per square yard for paving the Columbia River Highway with bitulthitic, exclusive of crushed rock foundation. Its bid provided, however, that if awarded certain small units only, its price would be 7 to 22 cents higher because of the small yardage.

For the Sandy road it bid \$1.18 per square yard, with the same reservation. If awarded one unit only, its price would be increased 12 cents. Its bid for the Foster road was also \$1.18, likewise with a reservation that its price would be 26 cents higher if awarded the smaller unit only.

Its other bids were: Powell Valley road, \$1.21; Foster road, \$1.16; Capitol Highway, \$1.23; Canyon road, \$1.19 to \$1.21; and St. Helens road, for laying bitulthitic on the concrete base, the base included in the bid, \$1.93 for 11 units,

# WOMANLY SUFFRAGE

## Its War Time Aspect.

LONDON, June 10: The women of England are doing their duty. They are taking care of the wounded, or, if they cannot assist in work of that kind, they are adding their savings to put into the good work. They are knitting and sewing for the soldiers at the front. The suffragists have given so little trouble to the government that it will undoubtedly soften the hearts of those in Parliament, since the "militants" have turned all their energies to aid the fighting men of England, and so suffrage may soon come after this terrible war is over.

Thousands of women in America have overcome their sufferings, and have been cured of womanly ills by Dr. Pierce's Favorite Prescription. This medicine, though started nearly half a century ago, sells more widely today than any other womanly tonic. It can now be had in tablet form as well as liquid, and every woman who suffers from backache, headache, nervousness, pain at times, should take this "Prescription" of Dr. Pierce.

Many a woman is nervous and irritable, feels dragged down and worn out for no reason that she can think of. In ninety-nine per cent of these cases it is the womanly organism which requires attention: the weak back, dizzy spells and black circles about the eyes, are only symptoms. Go to the source of trouble and correct the irregularities, the drains on the womanly system and the other symptoms disappear.

Doctor Pierce's Pellets are unequalled as a womanly organism. They are easy to take. One tiny, sugar-coated Pellet a Day. Cures Sick Headache, Bilious Headache, Dizziness, Constipation, Indigestion, Nervousness, and all other derangements of the liver, stomach and bowels. 25 cents vial, by druggists—Adv.

Enter: 55, Douglas Maynard; 64, Lyman Heyeke; 65, Marion Barber; 66, Walter Voges.

**FILM INTEREST KEEN**  
"HER SHATTERED IDOL" IS GOOD COMEDY AT COLUMBIA.

Yukon Tale at Star, National Bill Teaches Lesson, and Majestic Offers "Darkness Before Dawn."

"Her Shattered Idol," a Mutual master picture which opened yesterday at the Columbia, is a real comedy.

As the vivacious ward of rich Colonel Aitken, full of spirit and dash, Miss Aitken, except all her performance. And Bobby Harmon, the actor, who almost lost, and Elmo Lincoln, the powerful blacksmith who nearly won Mac's fickle heart, play their parts with remarkable spirit and animation.

The story is of a nice, refined young woman who admires a big, burly blacksmith because of his muscular prowess. His coarse and vulgar manners, however, shatter the girl's love and she hastily returns to the arms of her first suitor. The story is replete with really clever and funny situations that are appreciated.

An added attraction on the bill is Weber and Fields, in a two-act comedy entitled, "The Delicatessen Shop." Miss Laura Shaw, soprano, pleases with her songs.

This bill remains until Sunday.

**TWO THRILLERS AT MAJESTIC**  
"Darkness Before Dawn" and "The Wrong Woman" Attractions.

The bill at the Majestic theater for today includes two excellent feature pictures.

"Darkness Before Dawn" is the tale of a man's life which almost wrecked a home, and a woman's sacrifice to save the sanctity of that home might not be destroyed. Ethel Clayton, a charming little blonde, appears in the leading role, and Joseph Sawyer, a first-class actor, plays the part of the man. The picture is an excellent example of an ideal three-reel film.

"The Wrong Woman" is full of romance and intrigue. It has chiefly to do with women, one of whom is lost in a shipwreck and cast away upon a desert island, while the other takes the name of the marooned one and causes much unhappiness before the tangle is finally unraveled.

Tomorrow a big feature film will be shown, "Cohn's Luck." This picture features "Vio," a woman, and is written by the author of "Daw's Auctioneer," a great stage success. "The Auctioneer."

**FILM TEACHES COST OF FAME**  
National Has Instructive as Well as Entertaining Feature Picture.

The National Theater headlines its new bill with another picture, "The Price of Fame." The story tells of the price the ambitious must pay to attain innumerable and illustrious fame. It emphasizes that a woman always pays for the sins of the man.

Edna Morgan, the comedy by Cartoonist Bary and the Pathe Weekly, showing interesting news events, are good.

"The Sea Otter" is a novel and interesting educational picture, which includes some wonderful bits of scenery. Miss Dorothy Lewis continues to gain popularity as a singer, and the organists, Carney and Dimond, give some excellent solo selections.

Each night during the Rose Festival the bill is 8:30 and 9 o'clock. Tickets are being sold for a cash price or tickets to the theater will be turned drift.

The Majestic will feature a Metro feature, with the Sunday offering, "Cubert Chevallier, an English actor, will be featured.

**YUKON FILM PLOT IS GRAPHIC**  
Star Feature Tells Thrilling Story of Love in Far North.

"The Darkening Trail," an Ipee feature, with William Hays in the lead, is at the Star until Sunday. Jack Stuegers, a cad, after a quarrel with his father, flees to the Yukon.

When Ruby, the girl proprietor of the general store, becomes infatuated with him, he is forced to marry her. Jack tries to ruin Ruby, but she is constantly at the dance halls. "One night when he has fallen drunk on the hillside, he finds his wife, and, wrapping her cloak about him, spends the night in the rain.

For the pneumonia that results Jack goes for the doctor, but stops at the "Half Way House." "Yukon Red" arrives just in time to hear Ruby's story. "Don't let me go alone, Jack." As a gruesome climax "Yukon Red" kills him.

"The Darkening Trail" is the clever Universal comedy that completes the bill.

**Sale of 4 Canneries About Closed.**  
SEATTLE, Wash., June 9.—The Booth Fisheries Company announces that it is about to purchase the four salmon canneries of Gorman & Co., in Southeastern Alaska and Western Washington, for \$200,000. The canneries turned out \$500,000 worth of fish last year.
