

COURTS TO SETTLE ENGINEERS' DUTIES

Question of Mr. Lewis' Authority Under Recent Law Not Deemed Clear.

FRIENDLY SUIT PROPOSED

Highway Commission Not Satisfied With Opinion of Attorney-General Which Puts Mr. Cantine Second to State Engineer.

SALEM, Or., June 9.—(Special).—Acting upon a suggestion of State Engineer Lewis that the courts be invoked to determine his duties as State Highway Engineer, Governor Withycombe and State Treasurer Kay, comprising a majority membership of the State Highway Commission, announced that a friendly suit would be filed. Secretary of State Olcott, the other member of the commission, said he was satisfied with the opinion of Attorney-General Brown that Mr. Lewis was the State Highway Engineer, possessed of the functions of that office, and that E. L. Cantine, former State Highway Engineer, was subordinate to Mr. Lewis to all intents and purposes. That a definite agreement as to the duties of Mr. Lewis began performing the duties of State Highway Engineer. Several days after receiving the opinion Mr. Brown was asked by the board if it were not possible for it to work with Mr. Cantine, instead of Mr. Lewis, it having been the original intention that Mr. Cantine should be the State Highway Engineer. Mr. Brown said he could not alter his opinion for he could not construe the law in any other way than he had done. Mr. Lewis has continued as the active State Highway Engineer, believing that he must do so under the opinion of the Attorney-General and because of his having given a \$10,000 bond as such. He has repeatedly declared, however, that he never wanted the office, but inasmuch as it was thrust upon him he must perform its duties. Governor Withycombe had declined to sign vouchers signed only by Mr. Lewis as State Highway Engineer. The Governor insisted that the signature be signed by Mr. Cantine also. In a letter to the commission Mr. Lewis said he had obtained the signature of Mr. Cantine, although he believed his signature was the only one necessary. He said it would embarrass the department if Mr. Cantine, who was frequently away from the city, had to sign all vouchers. This question will be determined by the courts. In a letter suggesting that a test suit be filed Mr. Lewis said: "The State Engineer must have the good will and the support of the State Highway Commission in order to make a success of his part of the highway work. I would therefore strongly recommend and urge that the commission in an appropriate manner present this matter to the courts for decision if there is any doubt whatever as to the propriety of the Attorney-General's opinion."

WEATHER MAN UNCERTAIN

No Heavy Rains Are Expected Today or Tomorrow, However.

Weather slightly unsettled today and tomorrow—light showers possible, but heavy rains expected. This is the best the local weather forecaster can do for Portland during the Rose Festival. The official forecast, made at 6 o'clock last night, is supposed to cover conditions up to midnight tonight. The only reason Mr. Beals, district forecaster, was willing to hazard a guess even that far ahead is that he was required to do so. "No, I can't promise absolutely clear weather for tomorrow or tomorrow night," he said last night. Realizing how unpopular his bureau may become, he declined to hazard a prediction for one minute ahead of the time for which he is officially required to make a forecast.

RUSSELL SMITH SENTENCED

Clubman Gets 30 Days for Driving Auto While Intoxicated.

Found guilty in Municipal Court of driving his motorcar while under the influence of liquor, S. Russell Smith, wealthy real estate operator and clubman, was sentenced to 30 days in jail by Municipal Judge Stevenson Tuesday. Attorney P. W. Stinson, appearing for the clubman, gave notice of appeal to the Circuit Court. William W. Pattigrove, timberman, who was in the machine when it crashed into a streetcar early Sunday, was fined \$10 for being intoxicated. The two men were returning from the Country Club early Sunday morning following the golf tournament of Saturday, in which both were contestants.

RESERVE FLEET MAY VISIT

Trip of Pacific Unit to San Francisco for Summer Heard Unofficially.

SEATTLE, Wash., June 9.—Unofficial information has reached the Puget Sound Navy-yard that the Pacific Reserve Fleet, under command of Rear-Admiral Pond, will visit San Francisco and San Diego during the summer, taking the place of the Atlantic fleet, which cannot come to this coast, as planned. The reserve fleet is composed of the cruisers South Dakota, Charleston, Milwaukee, Albany, West Virginia and Pittsburgh.

3 PLACES ROBBED IN NIGHT

Baker Business District Suffers From Thieves, Who Get \$200.

BAKER, Or., June 9.—(Special).—Police have a dragnet out tonight for all strangers, following the robbery last night of Ritch Bros. grocery, the Knights of Pythias clubrooms, and the Ryan military, all in the business section of the city. The work was evidently that of one gang, who obtained \$200 in cash, they prying a window of the grocery and blew open the safe, taking \$150 in cash and leaving checks and valuables. A window was pried at the Knights of Pythias rooms and the cash register forced open, where \$50 was taken. An effort to enter George H. Foster & Company's real estate office was frustrated by Miss Louise Neuhouse, living across the hall, who rattled the door knob and scared the men away. A door of the Ryan military was opened with a jimmy, but nothing of value taken. Monte Miller, a taxi driver, saw two heavy-set men, one in a brown and the other in a dark suit, in front of the grocery at 1:30 o'clock this morning. Men giving names of E. Knox, J. W. Blackburn and W. S. Kilhoun, who said they came from Salt Lake City, are being held and two others were arrested, but released. As the wholesale thefts were made the night after the South Bank postal sub-station robbery there is fear of a deliberate plot and Sheriff Anderson and Police Chief Jackson are rounding up every suspect.

PAVING TANGLE SETTLED

COLUMBIA COUNTY AGREES TO PAY HIGHWAY CONTRACTORS \$85,000.

Figure \$10,500 Higher Than Recommended by Major Bowly—Road Appropriation Reduced.

SALEM, Or., June 9.—(Special).—Informed today that the Columbia County Court and the Consolidated Construction Company had reached an agreement that the company be paid \$85,000 for work on Columbia Highway, the State Highway Commission gave the county permission to reduce its appropriation for roads this year from \$40,000 to \$35,000. Henry L. Bowly, when State Highway Engineer, estimated the amount due the company at \$54,500, so various statements that the prospective settlement would be a vindication of that official are proved to have been groundless by the county allowing the company \$10,500 more than he recommended. The commission's reason for permitting the county to reduce its appropriation \$5000 was that it had reduced the state appropriation \$80,000 recommended by Major Bowly to \$50,000, the county appropriation having been made on the basis that it would be allowed the amount recommended by the engineer from the state. While the commission at numerous hearings declared that it was within its jurisdiction to settle the differences between the county and the company, sufficient evidence was produced to show that the company probably was entitled to more money than the engineer recommended he paid. The company, however, declined to state the amount it desired, contending that it was the duty of the highway department to have the work rechecked and correct the figures. This contention was said it could not authorize, although there was a partial rechecking by a private engineer, who reported that the company was entitled to several thousand more than Major Bowly estimated.

LONG LOST GIRL SOUGHT

Baker Man Starts Search for Daughter Missing 25 Years.

BAKER, Or., June 9.—(Special).—With one long-lost daughter found, Charles Funk is now in search of his other daughter, whom he thinks is in or near Portland, Seaside or Vancouver, Wash. Fred Love, separated from his wife 25 years ago and came from Utah, leaving one babe with friends in Ogden because he did not have means to care for her. He stopped at the hotel in Wallingford and saved the other babe to Mr. and Mrs. Lester Lammman, who were going to Vancouver. Recently he met Fred Love's mother, John Love, of Ogden, and the two started today to search for the other remaining member of the family. She was 3 years old when the father saw her last.

MRS. DIECK'S ROSES LURE

New and Ancient Varieties Draw Much Attention at Show.

Roses exhibited by Mrs. Robert G. Dieck, wife of the City Commissioner, at the show of the Rose Society now going on in the new Meier & Frank building attracted much attention and praise yesterday. She is showing six new roses, which she brought from her Hood River home. She captured a prize with a display of moss roses, an old-fashioned favorite. In her collection may also be seen Austrian briars that date back to the 18th century, and Scotch briar roses that were developed long ago by Lord Penzance, who introduced grafts on the old Scotch sweetbrier and developed it. These roses appear unusual and attractive by contrast with the usual double modern roses.

HILLSBORO, Or., June 9.—(Special).—Mrs. Barbara Ann Gates, well known in Forest Grove and Hillsboro, died at the home of her son, John W. Gates, Leisville, June 5, after an extended illness. She was born in Pennsylvania in 1827 and married Austin H. Gates at Lena, Ill., March 14, 1858. After marriage they moved to Nebraska and lived on a homestead. They came to Oregon in 1891 and settled in Polk County. In 1893 they moved to Forest Grove, Mt. Gates died in 1910. She leaves three sons and two daughters, John W., Hillsboro; George B., Dallas; James F., Portland; Mrs. Alma Brickley, Hampton, Or., and Mrs. Alice V. Ward, of Fort Calhoun, Neb.

JITNEY DRIVER ARRESTED

Reckless Driving Is Charge Placed Against Frank Gorwitz.

An accident which nearly resulted in serious injury to an unknown woman was the cause yesterday afternoon of the arrest of Frank Gorwitz, jitney driver, on a charge of reckless driving. He will appear in Municipal Court today. Gorwitz was piloting his jitney on Union avenue, when, according to Patrolman Coulter, he endeavored to pass a car on the wrong side of the street and nearly struck another machine. He threw in his brakes and skidded 100 feet, crashing over the curbing and onto a fire hydrant. A passenger was thrown out on her head, but was not badly hurt, apparently.

SALEM, Or., June 9.—(Special).—Newspapers, Governor Withycombe today issued the following statement regarding the resignation of Secretary of State Bryan: "Bryan's resignation seems to me unfortunate at this crisis, as it may tend to embarrass the Administration in pending foreign negotiations, but I feel that despite the defection in his official family President Wilson will continue to handle the international situation with fitting firmness. Bryan's withdrawal apparently makes easier a more effective attitude toward Mexico and probably lessens the likelihood that the Administration might be irresolute in the face of the need of money for the brother out on bail, and his alleged record, were the chief factors which first drew the suspicion of the police to him.
