> to 64 young women and 33 young men. "The Ideal Education" was the subject

of the principal address, which was by

Leonard W. Riley, president of Mc-Minnville College. He said statistics proved that a common school educa-

tion added 50 per cent, a high school

education 100 per cent and a college

education 230 per cent to one's capa-

bility. He thought the college man had

300 more chances for success than the

person with an untrained mind,
