MOSCOW MOBS ON RAID

POISON LAID TO GERMANS AND STORES ARE PILLAGED.

Infuriated Crowd, Drunken on Liquor Taken, Overpowers Police Till Troops Frighten by Shots.

MOSCOW, June 11.—(By mail to Petrograd, June 14, via London.)—Moscow for two days has seen street rioting and anti-German demonstrations of a serious nature. The police have found it impossible to control the crowds and the people indulged their desires for looting and destruction until they were tired out.

The demonstrations started because of an outbreak of illness among some men employed in a factory. This led to the belief among some of the lower classes that German sympathizers had poisoned the drinking water of this factory.

All day Thursday and until Friday morning, the crowd looted and destroyed. Russian workmen demanded the dismissal of the German employes at the factory in question. This was refused, whereupon men began to gather, carrying Russian flags and pictures of the Emperor and singing the

TRIBUTE PAID MR. WILSON

NORMAL SCHOOL STUDENTS IN LETTER EXPRESS CONFIDENCE.

Love and Admiration Expressed for Man Bearing Nation's Burden in World Crisis.

MONMOUTH, Or., June 14.—(Special.)—By unanimous vote of the student body of the Oregon Normal School, the following letter was sent to President Wilson expressing confidence in him.

TO OUR PRESIDENT: As students of the Oregon Normal School we for many weeks have been following daily the grave events and crises that have come before our country, and as future teachers we have been able to appreciate something of the heartbreaking responsibility that rests upon our Nation's chief. This message will try to convey to him a little of the deep love and admiration and respect our student body feels for him in these difficult times.

"Through the help and wisdom of a world, not a party; of mankind, not men; of service, not being served; and along with him in our more limited way we are striving to help bear the burdens of our Nation, that tomorrow's world may be better than today's."

"To him, then, our own beloved President, with sincere appreciation and confidence, and heartfelt sympathy in his heavy and often thankless labor, we give our small tribute, happy if it comes from his brow even one line of care. By the committee, Emma L. Haroun, Gladys Merle Horn, Susie E. Crapson."
