ELLIS BRAGG WINS CUP

Mrs. Curran, of Tacoma, Carries Off Women's Championship and Extraordinarily Good Golf Seen in Rounds for Open Title.

By H. CHANDLER EGAN.

TACOMA, Wash., June 25.—(Special.)—Last year's finals were played and over again, Ells Bragg won the final round of the Pacific Northwest championship on the links of the Tacoma Country and Golf Club with the result reversed. Jack Neville was a bit wild with all his long holes and failed to hole some critical putts, while Egan was cool and collected.

The match play rounds which were the best of three, in which Egan won seven up and five to play.

I started strong, and won the second and third but for a stytle. The fourth and sixth were won in four and two, respectively, and I was four up. Neville won the seventh when my ball lodged against the fence by the green. I won the ninth and tenth with a 4 and 3, a three, one under par for each hole, and would have won the twelfth but for another stytle.

Egan four up on first round.

Neville won the thirteenth with a fine three, but was five down again after I scored a three at the fifteenth by laying my second shot about 10 inches from the hole. Neville missed a short putt on the sixteenth green and became six down, but won both of the last two holes and made four, and went to lunch four down.

Neville started badly in the afternoon and gave me opening after opening some of which he took and some which I threw away by missing some rather short putts. I was 5 up at the 27th hole, and won the match on the 28th green after scoring two three in succession, one of which was under par.

Ford Wins From Hayne.

R. Y. Hayne, of San Francisco, and Paul Ford, of Seattle, had a good match in the other heat of the semi-finals. Ford finally winning by 4 up and 2 to play. Hayne started badly in the morning, losing the first four holes in succession, but was only one down at lunch time. In the afternoon Ford played a consistent game, and was two over an average of four when the match ended on the 15th green. Hayne has been having a great deal of trouble with his long game since he has been here in Tacoma, and has not been scoring two three in against good golf. He is really a fine player at times, and played some all-around unbecomingly well in the California championships.

Mrs. Curran, of Tacoma, won the women's championship today by defeating Mrs. Beard of Seattle, 4 and 3, and 3 to play. Mrs. Curran is the club champion here, and her victory was a popular one.

C. K. Graves, of Spokane, won the consolation cup for the first 16 who were defeated in the first round of much play for the championship by defeating George Tilden, of Seattle, by one up.

One nice cup goes home to Portland as Bill Beard, of Seattle, defeated Burnett, of Bellingham, five up and four to play, in the finals of the second flight cup.

Fourteen professionals and ten amateurs started off in the open championship which is played at 72 holes today and tomorrow. Alex. Duthie, of Vancouver, led the field at noon with a good 75. He scored a 73 in the afternoon and is now one stroke ahead in the race for first money. Jimmy Leith, of the Tacoma Club, is second with 80 and 78; T. Gallop, of Vancouver, and Bob Johnson, of Seattle, are tied for third place scoring two three and 35 for the 58 holes played. With the scores as close as this and 35 more holes to play it is hard to pick the winner.

The match tomorrow for the men's amateur championship is between Paul Ford, of Seattle, and Bryant East, of Seattle. I beat him in the semi-finals and tomorrow he will have his chance for the same kind of revenge that I was fortunate enough to get against Neville today.
