

## RECEPTION OF BELL TO INCLUDE PARADE

Thousands of Children Are  
Expected to March in  
Line With Military.

### COMMITTEES LAY PLANS

Philadelphia Officials to Be Guests  
at Breakfast on Arrival, Big  
Platforms to Be Erected and  
Other Arrangements Made.

**TENTATIVE LIBERTY BELL  
PROGRAMME AS ARRANGED.**  
Bell arrives at 6 A. M. and will  
be taken to some point on Fourth  
street, on the Portland, Eugene  
& Eastern tracks, for display.  
Visiting Philadelphia officials  
entertain at breakfast at 8 A. M.  
at the Portland Hotel.  
Visiting officials to be taken  
for automobile sight-seeing trip  
about the city at 9 A. M.  
Liberty bell to be uncovered for  
inspection by the public. Plat-  
forms to be erected on each side  
of the bell as mounted on its  
special car.  
Children's and military parades  
to be held on the streets and  
past the bell commencing at  
about 11 A. M.  
Car departs from Portland at  
12 o'clock noon.

Several thousand school children,  
gaily attired and decorated with Lib-  
erty Bells, will march through the  
streets of Portland, accompanied by  
the Oregon National Guard and pos-  
sibly some other military organizations,  
as the principal feature of Portland's  
reception to the Liberty Bell, which  
is to be here for six hours July 15, en  
route to San Francisco.

The parade was one of the features  
definitely decided upon yesterday at a  
meeting at the City Hall of the various  
committees appointed recently by Mayor  
Albee to make plans for the reception  
of the bell, for its display and the  
entertainment of the officials of Phila-  
delphia who will escort the relic on its  
trip.

The programme as tentatively out-  
lined provides for breakfast at the  
Portland Hotel at 8 A. M., an automo-  
bile trip about the city an hour later,  
the parade, a distribution of Liberty  
Bell leaflets and a display of the bell  
to the public.

**Thousands of Children Wanted.**  
The parade arrangements are to be  
in the hands of Robert Krohn and  
George A. White, Adjutant-General of  
the Oregon National Guard. Mr. Krohn  
said yesterday that he will start at  
once to arrange the children's parade  
feature. He says he believes several  
thousand children will be in line.

The schools are expected to co-oper-  
ate in the arrangements. Liberty Bells  
are to be given to each child and the  
parade will pass over the platforms at  
the Liberty Bell car, so that every child  
will have an opportunity to get a good  
look at the bell.

While it is not certain yet, it is ex-  
pected the use of the Fourth-street  
tracks of the Portland, Eugene & East-  
ern can be procured for the half day.  
City Commissioner Dieck will ascertain  
this definitely today. If he cannot he  
had, the bell will have to remain at  
the North Bank depot or at some point  
near the depot.

**Inspection Platform Arranged.**  
The car upon which the bell is  
mounted cannot make the turns neces-  
sary to get onto Stark street or Sal-  
mon street, or elsewhere beside the  
depot and Fourth street.

A platform will be erected on each  
side of the car with steps leading up  
from the ground. The public will pass  
in single file over the platforms. It is  
estimated that 8,000 persons can see  
the bell in four hours on such plat-  
forms.

W. E. Coman, of the transportation  
committee, announced at the meeting  
that the railroads have agreed to give  
excursion rates into Portland for the  
occasion. The rates will be a one-way  
fare and one-third for the round trip.

Plans are being made for the dis-  
tribution of badges to the visitors and  
to the local committees.

Plans also are being made for the  
breakfast, which will be an elaborate  
affair, at the Portland Hotel, with the  
visiting officials from Philadelphia as  
the guests of honor. There will be  
some short informal talks at the break-  
fast, probably.

At 9 o'clock the visitors will be  
started on a sightseeing trip about the  
city. This will last nearly two hours,  
returning the visitors in time to view  
the parade. It is probable that  
Americans will accompany the visitors on  
the automobile trip.

The committees adjourned yesterday  
to meet again next Thursday at 4  
o'clock to consider the plans more in  
detail. The City Council yesterday  
passed an ordinance appropriating \$500  
to pay the expenses of the celebration.

### CITY MEN MAY GET RISE

More Pay Proposed by Commission-  
er Dieck for 22 Employees.

Salary increases for 22 employees of  
the Municipal Department of Public  
Works are now proposed by Commis-  
sioner Dieck. The increases would en-  
large the payroll \$175 a month less  
\$30 a month which Mr. Dieck plans to  
trim from the salaries of three other  
employees. The names of the three  
have not been made public yet.

C. A. Atlas, Mr. Dieck's private sec-  
retary, and W. E. Hardesty, chief of  
the Bureau of Surveys, are to receive  
the largest increases if the proposed  
new schedule meets with the Council's  
approval. Each will be increased \$25  
a month. Mr. Atlas now receives \$125  
a month and Mr. Hardesty \$175 a  
month. The increases of the others are  
of \$5 or \$10 a month each.

Five-dollar increases are proposed for  
A. V. Bauer, J. T. Brickley, J. K.  
Carr, D. R. Davis, M. Huggins, M.  
McCarthy, A. L. Powell, E. H. Robinson,  
J. C. Sparks, E. W. Towne, L. Vinton,  
L. Watts, E. E. Weiman, Oscar Wil-  
son and F. A. Younger. Ten-dollar  
increases are proposed for L. C. Ander-  
son, Oscar Beck, J. J. Brooks, O. A.  
Kratz, H. G. Richardson.

### Hotel Clerks View Highway.

A party of clerks from the various  
hotels of the city were shown over the  
Columbia Highway yesterday after-  
noon, or at least to think the trip,  
although it was marred by the heavy  
rain storm that came up in the after-  
noon. Next Sunday another party will  
be arranged for 40 railroad clerks and  
20 hotel clerks to make the trip. The  
purpose of the excursions is to fami-  
lialize them with the highway so that  
they will be in a position to give exact  
information to tourists inquiring  
about it.

## MANILA TRADE IS URGED

REVENUE COLLECTOR FOR PHILIP-  
PINES ON EXPANSION TOUR.

Effort Made to Increase Sales of To-  
bacco From Island Possession to  
Swell Government Revenue.

James J. Rafferty, of Manila, collec-  
tor of internal revenue for the Philip-  
pine Islands, is in Portland on a tour  
of the United States in the interests  
of increasing the demand for Manila  
cigars in this country and widening the  
markets for this staple product of  
America's island possessions. Mr. Raf-  
ferty is at the Carlton Hotel today. He  
will leave soon to return to Manila,  
having completed his swing around the  
country.

In his capacity as collector of Gov-  
ernment revenue in the Philippines Mr.

Rafferty last year took in 22,500,000  
pesos, a peso being equivalent to 50  
cents in American money. He has been  
a resident of the islands for 13 years,  
and his trip is taken as a result of the  
desire of the Government to build up  
the export cigar trade, from which a  
revenue of \$3 a thousand is derived.

Of the total internal revenue col-  
lected in the Philippines, approximately  
one-third is obtained from tobacco  
products. A wider use in the United  
States means prosperity for the islands,  
for which increased manufactures comes  
greater wealth for the Philippine people  
and increased revenue for the Philip-  
pine government.

All cigars in the Philippines, says  
Mr. Rafferty, are manufactured under  
official supervision. Requirements as  
regards methods and regulation of fac-  
tories are strict. All cigars are made  
by the Spanish hand-work method.  
Workmen have developed a high degree  
of skill and machine work is unknown.

There are 85 cigar factories in the  
Philippines, and, in the opinion of Mr.  
Rafferty, the cigars, most likely to ob-  
tain favor in this country are those re-  
tail from 5 to 10 cents.

## ROMANCE SPANS OCEAN

CONDON SHEEPMAN WEDS WOMAN  
HE MET IN SCOTLAND.

Acquaintance Made 16 Years Ago When  
Bride Was Another's Wife Results  
in Marriage in Portland.

A romance that had its foundation  
16 years ago in Scotland resulted in  
the wedding of Andrew M. Patterson  
and Mrs. Margaret Dysart Thursday at  
the Imperial Hotel parlors. Mr. Patter-  
son is a wealthy and well-known sheep-  
man of Condon, Or., and the bride is a  
resident of the same place.

Sixteen years ago Mr. Patterson,  
who was then living in Eastern Ore-  
gon, went to Perth County, Scotland,  
to visit his people in his native town.  
While there he met Mrs. Dysart, then

the wife of a shipbuilder. Returning  
to America, he again took up his re-  
sidence in Condon. Some years later  
Mrs. Dysart, then a widow, came there  
to live, and, although a casual ac-  
quaintance was renewed, no one sus-  
pected that a wedding was about to  
take place.

Wednesday Mr. Patterson invited his  
friends to come to Portland to cele-  
brate his wedding, and purchased a  
large touring car for his trip.

The couple were attended by Mr. and  
Mrs. J. D. Weed, of Condon, and were  
married by Judge William Galloway,  
of Salem, who is an old friend and a  
relative of the matron of honor.

The bride was elaborately gowned  
in white satin and chignon and carried  
a shower bouquet of Cecil Brunner  
roses. Little Beatrice Weed was the  
ringbearer and wore pink chiffon. The  
matron of honor wore a pale blue satin.

After the ceremony, dinner was  
served, during which happy memories  
were played. Those present were Mr. and  
Mrs. Harold Ebb, Judge and Mrs. Wil-  
liam Galloway, Mr. and Mrs. J. D. Weed,  
Elmer Galloway, John Kennedy and his

daughter, Miss Elizabeth, William today to make a motor tour of Ore-  
gon, J. Stewart and J. W. Van Vactor, gon, after which they will make their  
Mr. and Mrs. Patterson will leave home at Condon.
