Brown started to wobble at the jump. Davis was out on a grounder to Corhan, but Derrick hit to left and Stumpf singled to right. Bates hit to Jones, who covered the bag and doubled the batsman at first.

Schaller tripled in the same inning after Jones had fanned. Biff's effort was a drive to the clubhouse and he came home on a sacrific fly as Bodie lifted the ball for Hillyard to capture. Portland came even in the second. Hillyard plunked a bounding sigle to center and Speas was beaned right on top of the head. Carisch forced Speas, advancing Hillyard to third, and he came in as Lober grounded out to Downs. Kahler was fanned.

The Scals did the balance of their scoring in the last of the third and once more in the fourth. Brown singled and Jones sacrificed. Schaller once more in the fourth. Detroit and Red Sox Fight Vainly to Stop Comiskey's Men; Yanks Hang in First Division, but Boxmen Are Failing.

NEW YORK, June 27 .- The two Chirago teams continue the edge in the National and American leagues, only Pittsburg, in the National League, equaling the record of the Cubs during the week, and the Pirates are not figured as contenders in the race.

In the American League no team approached the White Sox in their pace. The Boston Nationals, which have not been going any too well, yesterday staged one of their spectacular ninth-inning rallies, taking a game out of the fire from New York. Stallings, however, is not getting the pitching necessary for his team again to be a ontender

Phils Have Poor Week.
Philadelphia, another team not out
of the race, had rather a poor week,

Brooklyn and Cincinnati seemed out of the contest, while New York will have to have much better pitching before they can advance much. The catching department of the Giants also

needs bracing.

In the American League nothing seems to stop the White Sox, who are breezing along in championship form. Boston seems unable to make any impression on the Chicagoans' lead, in fact during the week they fell farther behind, barely managing to hold the edge on Detroit.

Yanks Need Better Pitching. New York continues to hold a firstdivision place, but won't do so long unless the pitching staff takes a brace, while St. Louis Clevelaand and Philadelphia are sounding the depths and Washington is barely able to stick around the 500 mark. St. Louis shot into the lead in the

Federal League during the week, leading Kanaas City by a small margin. An interesting feature of games in which the leaders figured was yesterday's pitching duel between Plank and Bender, the two former stars of the Ath-letics, in which the left-handed St Louis twirler easily outpitched Bender

AWARDED MEDAL OF HONOR AT PANAMA - PACIFIC EXPOSITION

# A que, pues, esta sublime facultad de gusto?"

["Why then this glorious sense of taste?"]

My sense of taste I am not ashamed of. Nor do I try to force it into some path afar from its natural inclination.

For dinner I have ever preferred the tender flesh of a young broiler to the knife-defying meat of a dead fighting cock.

I have, in smoking, ever preferred the aromatic leaf of Havana to the leaf from any other land or district.

I am good to my taste-and I sometimes think that in return it is more than good to me.

Nowhere in life have I ever found so much enjoyment for so little money as in a Van Dyck Cigar.

I say to myself, "Why then this glorious sense of taste?"-and there between my teeth I hold the answer!

Cornell Not Despised. The knowledge of the remarkable ability of Coach Courtney and the long winning record made by the Red and White crews has curbed, however, any tendency to eliminate Cornell as a possible victor. The varsity race is considered an open event, although Columbia is given a slight edge with Cornell and Syracuse second choices, Pennsylvania and Stanford are unknown
