

WASHINGTON FIGHT FOR SENATOR NEAR

Beginning Awaits Decisions of Judge Chadwick and ex-Governor McBride.

GEORGE TURNER MAY RUN

Representative Humphrey and Miles Poindexter Are Announced Candidates—Second Choice Votes Will Be Big Factor.

OLYMPIA, Wash., June 30.—(Special.)—The Washington Senatorial situation, with the raw material for the shape of the political history of the state, is shimmering, awaiting definite decisions on the part of Judge S. J. Chadwick, of the Supreme Court, and ex-Governor Henry McBride.

Judge Chadwick is reported to be considering the contest for the Democratic nomination. If he decides not to make the race, George Turner, of Spokane, will announce his candidacy. If Judge Chadwick runs, it is probable that Turner will not.

Mr. McBride is to be considered the Republican situation carefully. Representative W. E. Humphrey, already an avowed candidate, has secured promises from the most of the recognized Republican leaders, while Senator Miles Poindexter, who also has announced his desire to be returned as a Republican, has the best reason to hope for support from returning Progressives.

Second-Choice Vote May Rule. The second-choice vote factor probably will be the determining one. Mr. McBride in making his choice. Although he probably would be able to command the undivided first-choice support of neither the regular nor the radicals, he would be likely to gather in second-choice votes from both sides in considerable numbers.

Should Mr. McBride win the Republican nomination, he would through second-choice votes, it would be a pleasant reversal of his experience in 1908, when second-choice voting was first attempted. He and Governor Mead were then running neck and neck for the Republican nomination for Governor, but the supporters of Mr. McBride would not throw their second-choice votes to Mr. Mead, nor would the Mead men vote for Mr. McBride for second choice. The result was that Samuel C. Cosgrove, third man on first-choice votes, got the nomination by a heavy plurality on second-choice votes.

McBride Urged in Governor's Race. There has been an attempt recently on the part of supporters of Representative Humphrey to induce Mr. McBride to drop his Senatorial ambitions and run for Governor. For this office, however, there is an even larger field than for the Senate.

The anxiety of the Democrats as to the prospective candidacies of Judge Chadwick or ex-Senator Turner is prompted by the fact that the Humphrey-Poindexter fight may so disrupt the party that the Democrats will have to elect a regular member to elect a Senator. Mr. Turner, when a member of the upper house, had been elected as a Republican.

Around the State, the anxiety of the Democrats appears to favor Judge Chadwick as a candidate over Mr. Turner, feeling that the personal following of Judge Chadwick would help his candidacy and that he would come nearer uniting rival wings of the Democracy than would Mr. Turner, who is bitterly opposed by the more radical element.

Lister Clarifies Situation. The recent announcement of Governor Lister that he would not consider the Senatorial nomination, but either would become a candidate for re-election or drop out, has been clarified. The Democratic situation is a considerable extent, and present indications are that whether Judge Chadwick or Senator Turner will be the Democratic candidate is in Judge Chadwick's hands for decision.

Reports from Eastern Washington are that Republicans of that section are of the hope of presenting an all-Republican Congressional delegation from Washington after 1916, and that Judge J. Stanley Webster, of Spokane, as a candidate for the seat in the Fifth District, now held by Mr. Dill, Democrat. Representative Dill, Governor Lister's ex-secretary, was elected last year as the result of a combination of circumstances, one of which was an exceedingly aggressive campaign waged by himself.

one given by the experts for the crown. Justice Scouton announced that he would sum up the case tomorrow. In the meantime he asked the jury to examine with habit. The justice suggested that the jury might consider the possibility of a husband going into a bathroom, turning on the water and then hitting his wife into the tub. There was no evidence of this in the present case, the justice said, but the jury might consider the possibility of it.

BIGGER ARMY IS PREDICTED

Representative Johnson Believes Congress Will Act.

ABERDEEN, Wash., June 30.—(Special.)—That a larger United States Army and Navy are necessary and that public sentiment is being so crystallized that the next Congress probably will favor more military preparedness was the opinion voiced by Representative Johnson in a speech before Aberdeen military and patriotic organizations last night. He also reiterated his assertion that intervention in Mexico was inevitable, and he said this country should be prepared for it.

PORTLAND SINGER WILL FEATURE GERMAN SONGS AT THE OAKS.

Elfrieda Heller Weinstein, well-known Portland singer, has promised to sing a number of patriotic German songs and national airs, featuring particularly "Die Wacht am Rhein" and "Deutschland Uber Alles." D. P. Nason, orchestra leader, has promised an orchestral programme composed of German patriotic music. Congregation Ahavah Shalom held a largely attended church and Sunday school picnic at the Oaks yesterday, the feature of which was the singing of original traditional Hebrew melodies from the Liturgy.

The United States as one of the applicants for this commerce, this Nation ought to be prepared to back its claim with more than ships and finance.

PERSONAL MENTION.

Mr. and Mrs. E. O. McCay, of The Dalles, are at the Portland. J. W. O'Leary, of Astoria, is at the Portland. George A. Jones, of Bend, is at the Portland. D. E. Hunter is registered at the Portland from Bend. Mr. and Mrs. J. W. Lightner, of Eugene, are at the Cornelius. C. F. Cuthbert, of Raymond, is at the Cornelius. Thomas Beaman, of Heppner, is at the Cornelius. Hugh Nelson, of Newberg, is registered at the Cornelius. J. J. McMahon, of Rogue River, is at the Portland. Mr. and Mrs. H. E. Grice and daughter, of Pasadena, are at the Seward. W. E. Proctor, of Bay City, is at the Seward. Dr. E. J. Lauber, of Napoleon, O., is at the Seward. Mr. and Mrs. J. E. Davis, of Canton, O., are at the Nortonia. Ralph Waldo, of Eugene, is at the Nortonia. S. C. Lancaster is registered at the Nortonia from Seattle. R. W. and H. E. Reid, of Estacada, are at the Nortonia. Mr. and Mrs. R. E. Smithson, of Salem, are at the Oregon. W. R. Pett, of Bismark, S. D., is at the Oregon. F. H. Atkinson, of Baker, is at the Oregon. T. G. Bligh, of Salem, is at the Oregon. W. J. Kerr, president of the Oregon Agricultural College, is at the Imperial. E. Hardman and family, of Marshfield, are at the Perkins. H. J. Bayly, of Edmonton, is at the Imperial. P. S. Campbell, president of the University of Oregon, is at the Imperial. J. Matthey, of McMinnville, is at the Perkins. A. E. Eberhart, of Pendleton, is at the Perkins. James Rice, of Madras, is at the Perkins. W. R. Wolgamot, of Seattle, is at the Multnomah. Mr. and Mrs. O. N. Hoffman, of Salem, are at the Multnomah. Mr. and Mrs. E. M. Stinson, of Macon, Ga., are at the Multnomah. E. M. Sparhawk, of Denver, is at the Multnomah.

LAWYER RAPS "EXPERTS"

BRITON FEARS "AMERICANISM" IN BRITISH JUSTICE.

Jury Trying Man Accused of Murder—Three Wives in Bath Tub Told to Experiment on Own Account.

LONDON, June 30.—The trial of George Joseph Smith, charged with the murder of three women who were his wives, approached its conclusion today. Smith, it is alleged, killed his wives while they were in their baths and collected their insurance. Marshall Hall, counsel for Smith, pleaded that no sane man would be sane if the prisoner was not in question—could be guilty of these crimes, which, if the deductions of the prosecution were correct, constituted one of the most diabolical series of consecutive crimes ever recorded in any country.

Referring to the evidence of Drs. Spillbury and Wilcox as to the cause of death, Mr. Hall expressed the view that "such medical evidence opens the door to the worst form of Americanism in the administration of British Justice."

RECORD YIELD OF GRAIN PREDICTED

Palouse and Big Bend Prospects Were Never Better, Says Spokane Buyer.

WHITMAN CROP SURPASSES

Practically All Is Out of Danger From Hot Winds, Is Opinion Following Inspection—Inland Empire Harvest Early.

SPOKANE, Wash., June 30.—(Special.)—Crop conditions in the Palouse and Big Bend regions are the best in history, and there is every indication of a record yield, according to J. W. Raymond, who has been buying grain in the Inland Empire for 20 years and has made regular trips annually through the agricultural regions during that period. Mr. Raymond returned from a five-day automobile tour of the two districts, covering practically the entire territory. "In Southwestern Whitman County, regarded as the least productive part of the Palouse, the crops this year are better than in any other portion of the district," said Mr. Raymond. "Practically all the grain, except the barley and oats, is well down, and already it is out of danger of the hot winds. The wheat is unusually heavy, which is a many persons to predict that the yield would be light, but the heads are bigger than the average and they are as full of kernels as possible. Weather conditions recently have been favorable and the grain has filled nicely. In the Big Bend section, which is the average yield will be as heavy, if not heavier, than in the Palouse, which is something unusual, and in all my experience I never saw a better place than are growing on the high lands between the Washington Central Railway and the Columbia River. Harvest all over the Inland Empire will be approximately two weeks earlier than usual, despite the heavy rains and reduced temperature of recent weeks, the warm weather early in the Spring having given the grain an exceptionally good start."

HOT WINDS DAMAGE WHEAT

Umtilla Yield Not to Be as Big as Expected, Say Farmers.

PENDLETON, Or., June 30.—(Special.)—Reports coming in daily from various parts of the county indicate that damage to wheat crops from cold winds of a few days ago, and more recent hot winds, will exceed first estimates. Farmers now despair of getting 10 bushels yield an acre from land which it was expected would yield from 30 to 40 bushels. Several local grain growers and dealers express the opinion that the wheat yield in the county this year will be less than two-thirds that of the 1913 bumper crop and considerably less than normal in most sections. Guy Wyrick, whose ranch lies north-west of this city, reports 700 acres badly burned by hot winds and much more in the county. He reports that Wyrick holds a contract for 20,000 bushels at \$1 per bushel. Charlie Daniels reports more than 400 acres seriously damaged. Ralph Knicker has lost 100 acres on Birch Creek, and the sections north and west of this city are affected, particularly in the heavier soils. Considerable shrinkage, due to the hot weather now prevailing, also is reported. Barley also is affected, but not to the same extent as wheat. Farmers heretofore variously estimate the damage to their crops at slightly over 50 per cent. Others predict that damage will amount to 20 per cent of the expected crop.

20 PER CENT GAIN FORECAST

Washington Yield Is Estimated at 45,000,000 Bushels.

TACOMA, Wash., June 30.—(Special.)—Washington will produce 45,000,000 bushels of wheat this year, an increase of 20 per cent over 1914, announced State Grain Inspector Jarboe today. "Unless conditions change within the next 10 days nothing can hurt the crop. Even now winter wheat, of which we have more than usual, is out of danger." The Cambskenneth was sunk by a mine.

TRYOUT ACTS ARE ON BILL AT EMPRESS TONIGHT.

Maximilian the Great, Headline Attraction. Portland entertainers who are ambitious to enter vaudeville will give tryout performances of their acts at the Empress Theater tonight in connection with the regular show, of which Maximilian the Great, a trained chimpanzee, is the headliner. W. Ernest Crosby, tenor, just engaged by the "Rari" company, appeared at the Empress in a musical tryout recently. The extra attraction of the regular vaudeville bill is Carl Reiter, ex-manager of the Seattle Orpheum, who tells Yiddish stories. Mr. Reiter is one of the big hits of the bill, his act "stopping the show" every day. The tryouts tonight will be staged immediately after the second show, the addition of local talent making a 10-act bill which will last from 9:15 o'clock until 11 o'clock.

Workman's Widow Gets Pension.

SALEM, Or., June 30.—(Special.)—The State Industrial Accident Commission has set aside \$7781.40, the pension to which a number of dependents on the estate of a workman who died in 1912 are entitled. The woman's husband, Elmer Carlson, was killed while working for the Willamette Iron & Steel Works of Portland. She will receive \$20 a month for the rest of her life, and the child \$4 a month until he becomes 18 years old.

of danger, except along the eastern state line. A hot wind such as we experienced early in July in 1904, might still destroy a part of the crop. I should say the total crop in Oregon, Washington and Idaho will be about 70,000,000 bushels. The crop in Montana is also good, possibly 20,000,000 bushels. The yield of barley in the Northwest is estimated by various authorities at from 14,000,000 to 15,000,000 bushels. No change is expected on prices of 1914, which were fairly good. About 14,000,000 bushels of oats are expected from Oregon, Washington and Idaho this year, an increase of 100,000 bushels. Oats are not expected to be high in the face of the big crop. The crop and prices of hay probably will be about the same as last year.

RECTOR RESIGNS CHARGE

ANNOUNCEMENT MADE TO VESTRY BY REV. HENRY RUSSELL TALBOT.

His Health Assailed by Pastor of St. David's Church—Rev. R. S. Gill, of Salem, to Act Temporarily.

Rev. Henry Russell Talbot, rector of St. David's Episcopal Church, has sent

in his resignation, and action will be taken by the vestry of the church at a meeting to be held the last of the week. On account of ill health, Dr. Talbot was given a leave of absence of a few months ago, and he was to have resumed his duties on August 1. The rector went East to consult specialists and to rest, but in his letter to the vestry he announces that he does not feel well enough to do his work at present and wishes them to accept his resignation. During his absence Archdeacon Chambers has officiated, but beginning with next Sunday, Rev. Robert S. Gill, of Salem, will be in charge until the appointment of Dr. Talbot's successor. Dr. S. R. Joseph, a member of the board, in speaking of the resignation, said: "We feel grieved that Dr. Talbot has to quit for the time being, but his splendid ability and is generally beloved." Dr. Talbot is now at Chestnut Hill, Philadelphia.

SHIP FROM HERE SUNK

SUBMARINE DESTROYS CAMBUSKENNETH, NORWEGIAN.

Germans in Crew Are Taken Aboard Undersea Vessel—Cargo Sold Before Leaving Portland Harbor. LONDON, June 30.—The Norwegian ship Cambskenneth, which sailed from Portland, Or., February 3 for Liverpool or Manchester, was sunk today by a German submarine. The crew members of the crew were landed. The Cambskenneth was 30 miles south of Galley Head on the Cork coast when the submarine signaled her to halt. Then it was ascertained that there were several Germans among the ship's crew, and these men were the novel experience of being rowed to the submarine and later disappearing under the sea with her while their bodies were left floating in the ship's boat. The latter were landed at Galley Head today. Those German members of the crew taken aboard the submarine probably will have to join the colors if they are of military age. The Cambskenneth was sunk by a mine.

ICE CREAM PLENTIFUL

POPcorn AND CANDY TOO GORGEOUS ALL APPETITES AT PICNIC.

Congregation Ahavah Shalom Entertains Day at Oaks and 200 Youngsters Pass Hours Merrily.

Have you had all the ice cream you wanted? No popcorn? No candy? No? Then you should have been one of the 200 happy children from Congregation Ahavah Shalom who had their annual picnic yesterday at the Oaks. Cones of ice cream seemed unlimited, and even the most capacious appetites had creditably been satisfied, but nevertheless true—to decline further sweet stuff. Games and all kinds of fun passed away the afternoon. A number of teachers and members of the congregation assisted in seeing that all the wants of the children were attended to. Later in the evening the members of the congregation participated in a basket luncheon and waited to hear Mrs. Elfrieda Heller Weinstein sing a number of traditional original Hebrew melodies, which found a warm reception. Rabbi Abrahamson presided over the gathering and was assisted by the following committee: Mr. and Mrs. A. Rosenbaum, Mrs. Miller, Mr. and Mrs. S. Krauss, Mrs. H. Applestone, Mrs. Abrahamson, Mrs. A. Fleiselman, M. Gilbert, Mrs. J. Dellar, Mrs. A. Whiman and others.

Take Care of Your Hair

PORTLAND STOMACH VICTIM FINDS RELIEF FROM VERY FIRST DOSE

H. C. Seaman Gets Quick Results From Use of May's Wonderful Remedy. H. C. Seaman, of 209 Sherman street, Portland, was a victim of stomach trouble. He tried many treatments with but little promise of successful results. At last he tried May's Wonderful Remedy and got quick relief. In ordering the remedy after taking the first dose he wrote: "I took the first dose and will say it helped me more than anything else I have ever tried and I want the full treatment immediately. I have had several persons send for the treatment already." George H. May, the chemist who makes this preparation, has thousands of similar letters from sufferers all over the country showing that May's Wonderful Remedy is invaluable for the treatment of indigestion, constipation, colic, attacks, catarrh of the stomach, gastritis, pressure of gas around the heart, dizziness, torpid liver, chronic appendicitis and other ailments of the stomach, liver and intestinal tract. This remedy is entirely harmless. Many declare it has saved them from dangerous operations and hundreds fervently thank Mr. May for having saved their lives. Any one having stomach, liver, intestinal or kindred ailments, no matter how long they have suffered, should try May's Wonderful Remedy. One dose convinces. This remedy gives permanent results and is now sold by druggists everywhere with the positive understanding that money will be refunded without question or quibble if ONE bottle fails to give absolute satisfaction.
