FESTIVITIES ARE PLANNED

Portland Members Await Word From Some Parties Concerning Times of Arrival-Nearly All at Convention to Come.

Shriners from all parts of the United States are headed this way. The ultimate object of their Western advance is Seattle, where their annual convention will be held, but Portland is destined to receive the complimentary visits of nearly all the Shriners that go.to

Adequate arrangements have been made by the Portland members to entertain their visiting brethren, they are having a hard time finding out just who is coming, and when. Some of the Eastern temples have not completed their schedules. While

not completed their schedules. While they know that they are coming to Portland, they are not sure just when they will get here. Some of them are planning to stop here on their way to Seattle, and these will visit the city on or about Sunday, July 11, the day before the convention formally opens. Nearly All Go South.

On account of the big show in Cali-fornia, nearly all the Seattle visitors will want to go south, and these naturally must pass through Portland unless they take the ocean voyage out of Se-
