## MISTRIAL FOR THAW IS DENIED BY COURT

Defense Accuses State of Setting Expert Lip-Reader to Translate Whispers.

JUDGE CAUTIONS JURORS

Prisoner Tells Story of How He Killed Stanford White and Denies Ili-Feeling for "Bug Doctor" of Prosecution.

NEW YORK, July 9.—A charge by John B. Stanchfield, chief counsel for Harry K. Thaw, that the state had in Justice Hendrick's court an expert "lip reader," who was translating for the benefit of alienists whispered conver-sations the slaver of Stanford White had with his attorneys and members of his family, precipitated a request today by Deputy State Attorney-General Becker that a mistrial be declared. Jus-tice Hendrick refused to grant the pe-tition, but instructed the jury that re-marks by counsel were not to be con-

Thaw himself was on the witness stand at the time of the occurrence. He was excused without cross-examination immediately after it. During the day he told his own story of how he shot and killed Stanford White, and he gave his ideas about allenists who have testified for the state at previous proceedings.

ings.
Thaw's examination was conducted by Deputy Attorney-General Frank A. Cook, who passed rapidly from one subject to another allowing Thaw to give full explanations when he desired. With one or two exceptions Thaw an-

At one point Thaw referred to the lienists who testified against him in more murder trial as "bug doctors."

Aside from three engagements to speak in San Francisco and one at speak in San Francisco. Asked whom he had in mind when he mentioned "bug doctors."

Asked whom he had in mind when he mentioned "bug doctors." Thaw named several alienists, including Dr. Austin Flint, who was in court waiting to testify for the state.

"Have you any feeling against Dr. Flint."

Aside from three engagements to speak in San Francisco and one at San Diego the Colonel has declined all invitations. On July 21—Roosevelt Day—at the Panama-Pacific Exposition, the Colonel will speak in the Court of the Universe. His topic will be "World Politics."

In San Francisco the Colonel will

"Oh, not a bit," replied the witness.

Deputy Attorney-General Cook announced that he would abandon his effort to bring Evelyn Nesbit Thaw here to testify. Mr. Cook said it had been reported to him that Mrs. Thaw was too ill to make the trip here from Chateaugay Lake and to stand the ordeal of testifying.

Vancouver Man, 78, Sues Wife to Recover Property.

VANCOUVER, Wash., July 9.—(Special.)—William Schneider, 78 years old and not able to read and write the English language well, has brought suit against his wife, 55 years of age, whom he married February 2, 1914, here, to recover title to about a quarter section of land, estimated to be worth \$4000.

He asserted in the complaint that he made a warranty deed of all of this property to his wife at her request, but that he did not know he was divesting he married February 2, 1914, here, to recover title to about a quarter section of land, estimated to be worth \$4000.

He asserted in the complaint that he made a warranty deed of all of this property to his wife at her request, but hat he did not know he was divesting himself of all right in it. He alleges that the deed was made without consideration and on the solicitations of his wife under undue influence, duress and fraudulent representations, and that on account of his advanced age and his inability to read and write English, did not know or understand what was taking place.

He cause of the fact that the City Council of St. Johns expended virtually all the funds available there before the town became a part of Portland, the town became a part of Portland, the low war in self-defense for our natural existence and for the sake of an assured permanency. We have been obliged to adopt a submarine warfare to meet the declared.

Low low held a low to their seake of the low intil our utter destruction, we were conduct

What was taking place. He was married by Judge R. H. Back, and he now asks the same court to as-sist him in having the deed set at naught and to recover the property.

Telephonic advices from Bedford today said that Mrs. Maria Porter, the state's chief witness in the Bedford case, was removed secretly from Quit-man, Mo., today to protect her against possible danger because of her detention to testify at the hearing in Beil-ford next Tuesday. This action was said to have been taken by representatives of the Attorney-General's office.

be at Bedford next Tuesday to testify for the state against Bates Huntsman. Samuel Scrivner and John and Henry Damewood. She is the woman, who, as a young girl, is alleged to have had knowledge of the killing of the wealthy cattleman and his son by the course attleman and his son by the counterfeiters' gang.

QUITMAN, Mo., July 3.—Mrs. Maria Porter, wife of Henry Porter, a coal miner here, admitted today she witnessed the killing of the wealthy cattleman near Siam, Ia., in 1868, and declared she would go to Bedford, Ia., to testify against the men under arrest. Mrs. Porter would not discuss the details of the murder, saying she had been advised by the prosecuting authorities in Iowa not to talk of it. She said she had been threatened with death if she gave information against the men guilty of the killing.

In order to avoid questioners, Mrs. Porter this afternoon went to the home of her daughter, Mrs. John Anderson,

of her daughter, Mrs. John Anderson who is not related to Samuel Anderson mentioned in the Iowa dispatch. She has lived here 30 years. She and Porter were married in Iowa. Her husband said today he had never heard his wife discuss the Iowa tragedy.

Immunity Offered Under Own Flag and to Travelers on Neutral Vessels.

GERMAN REPLY IS SENT

Surprise Expressed That Lusitania Sank So Quickly and Right Asserted to Destroy Munitions

OYSTER BAY, N. Y., July 2.—(Special.)—Colonel Theodore Roosevelt will leave here Sunday for a trip to the Pacific Coast. He will be gone more than three weeks. It will be the first

"If in the present war the principles which should be the ideal of the future have been traversed more and more, the longer its duration, the German government has no guilt therein. It is known to the American Government how Germany's adversaries, by completely paralyzing peaceable traffic between Germany and neutral countries, have aimed from the beginning and with increasing lack of consideration at the destruction, not so much of tion at the destruction, not so much of the armed forces as the life of the German nation, repudiating in doing so all the rules of international law and disregarding all the rights of

and disregarding an the rights of neutrals.

"On November 3, 1914, England de-clared the North Sea a war area, and by planting poorly anchored mines and by the stoppage and capture of vessels made passage extremely dangerous and difficult for neutral shipping, so (bv?) made passage extremely dangerous and made passage extremely dangerous and ports contrary to all international and ports and ports contrary to all international and ports and ports contrary to all international and ports and ports and ports and ports and ports and ports are all the Australian Journalists in the papers, and their papers, and the international ports are all the Australian Journalists in the papers, and the Australian Journalists and ports are all the Australian Journalists and ports are all the Australian Journalists and ports are all the Australian Journalists and protected and the protected and the Australian Journalists and ports are all the Australian Journalists and ports are all the Australian Journalists and ports are all the

"On November 14, 1914, the English Premier declared in the House of Commons that it was one of England's principal tasks to prevent food for the German population from reaching Germany via neutral ports. Since March 1 England has been taking from neutral ships without further formality all merchandise proceeding to Germany, as well as all merchandise

Duty is to Save German Subjects.

However, the American Government will also understand and appreciate that in the fight for existence which has been forced upon Germany by its adversaries and amounced by them, it is the sacred duty of the imperial government of the sacred duty of the imperial government. Christianity, the War and the Social Problem. Commissioner Bigelow.

Sestigated the expenditures, said at yesterday's Council meeting that the St. Johns Council apparently had expended the remaining money "like drunken sailors."

"Apparently," said he, "they wanted to provide for as many lights and other things, as possible before the merger took place, thinking apparently that they would get these things before they had to ask the Council of Darfland for them."

"Apparently," said he, "they wanted to provide for as many lights and other things, as possible before the ment were derelict in these, its duties, it would be guilty before God and history of the violation of those principles of highest humanity which are the foundation of every national extended to provide for a world istence.

"Not again in this century shall the world deceive itself with the self-control of those principles of highest humanity which are the foundation of every national extended to politics the "undisproved socialism of Jesus," the speaker that they would be guilty before God and history of the violation of those principles of highest humanity which are the foundation of every national extended to provide the foundation of every national extended

"The case of the Lusitania shows with horrible clearness to what jeopardizing of human lives the manner of conducting war employed by our adversaries leads. In the most direct constitution of the second control of the se saries leads. In the most direct contradiction of international law, all distinction between merchantmen and war vessels have been obliterated by the order to British merchantmen to arm themselves and to ram submarines and the promises of rewards therefor, and neutrals who use merchantmen as travelers, thereby, have been exposed by an increasing degree to all the dangers of war.

himself and the devil take the hindmost.

"When war bids defiance to international law and makes treaties only scraps of paper and does violence to all instincts of humanity, the socialism of Jesus still stands, 'I say unto you, love your eaemies.'" dangers of war.

Quick Sinking of Lusitania Surprises. "If the commander of the German Desertion After Refusal to Deed ubmarine which destroyed the Lusitania had caused the crew and passen-gers to take to the boats before firing a torpedo this would have meant the sure destruction of his own vessel. After the experiences in sinking much smaller and less seaworthy vessels, it was to be expected that a mighty ship like the Lusitania would remain above water long enough even after the torpedoing to permit passengers to enter the ship's boats. Circumstances of a very peculiar kind, especially the pres-ence on board of large quantities of

"In addition, it may be pointed out that if the Lusitania had been spared thousands of cases of munitions would have been sent to Germany's enemies, and thereby thousands of German mothers and children robbed of bread-

"In the spirit of friendship wherewith the German nation has been im-bued toward the Union and its inhabitants since the earliest days of its existence, the imperial government will always be ready to do all it can during the present war, also to prevent the jeopardizing of lives of American cit-lzens. The imperial government, therefore, repeats the assurances that American ships will not be hindered in the machinery and equipment. It is under-stood that some camps will not start up until after the market conditions tral vessels shall not be placed in

show an improvement.

There is still a considerable quantity of logs in the water, and as none of the mills are running full time, the demand is not so strong as had been demand is not so strong as had been ers, made possible in view of the constant of t Washington Postmasters Appointed.

"In order to furnish adequate facilities for travel across the Atlantic for American citizens, the German government aubmits for consideration a proposal to increase the number of the the numb

of Its NEWSPAPERS

American citizens, the German government submits for consideration a proposal to increase the number of available steamers by installing in passenger service a reasonable number of neutral steamers under the American flag, the exact number to be agreed upon under the same conditions as the above mentioned American steamers.

The imperial government believes it can assume that in this manner adequate facilities for travel across the Atlantic Ocean can be afforded American citizens. There would, therefore, appear to be no compelling necessity for American citizens to travel to Europe in time of war on ships carrying an enemy flag. In particular, the imperial government is unable to admit that American citizens can protect an enemy flag in particular, the imperial government is unable to admit that American citizens can protect an enemy ship through the mere fact of their presence on board.
