FIELD EQUIPMENT WORN

Real Work of Encampment at Gearhart Starts Today and Will Continue Until Thursday, When Soldiers Break Camp.

CAMP JACKSON, Gearhart, Or., July 11.—(Special.)—Never in the history of the Oregon National Guard was a field inspection of the regiment so close in every detail as the one held today. Not only did each man receive the close inspection of the battalion inspectors, but the hat cords were counted, the shoes were inspected with respect to the protection of the feet in marching, and all discrepancies in the manner of wearing the full equipment were noted.

The regiment was reviewed by Colonel McLaughlin and was witnessed by crowds from Portland, Astoria and other resorts. Following the review, the battalion inspectors began the inspection of rifles and the muster was made.

Immediately following the field inspection Adjutant-General White presented a 29-year service medal to Captain W. F. Dougherty and a 19-year medal for service to Sergeant A. Swartz, of Company B. He presented also a silver trophy to Company M, of Salem, for having won the third battalion rifle tournament at the Salem rifle range in 1914. The trophy was presented to the company in the form of a general order.

It is especially gratifying to present this cup to company M, as it has increased its efficiency to the state attained by this company. Company M has the record of qualifying the largest number of men in rifle shooting during the present target season.

It is especially commendable because no troops have been able to increase their efficiency to the state unless they can gain superiority of fire, and they cannot gain that superiority unless they can make hits.

The battalion, which consists of the Woodburn, Corvallis, Dallas and Salem companies, was commanded by the Adjutant-General's representative, the Adjutant-General, Major Abrams, the battalion commander, and will become the permanent property of the company winning it three times.

The entire regiment attended church which was conducted by Chaplain Gilbert. The chaplain, who has served in that capacity in the regiment for 17 years, said that in all his service he never saw the regiment in the state of efficiency as today.

General White said: "Particularly is this true in the morale of the regiment," he said. "The men are better behaved, cleaner of body and habit, and best of all, it is the only encampment I have ever attended at which the use of liquor in camp was barred absolutely. The Adjutant-General has established a precedent in issuing the order that with liquor he will be followed by regiments of citizen soldiers in other states."

This afternoon the chaplain read to the officers a letter from Colonel James Jackson, U. S. A., retired, who has been in camp several days, but returned to Portland. His letter follows:

"My Dear Chaplain—I will have to return to Portland sooner than expected, and send you some cigars for the officers' mess, knowing you will see to their distribution.

"I appreciate highly the honor of having the camp named for me and have witnessed the valuable instructions given and noting the high character and soldierly conduct of the officers and men. I wish the United States had a million more just like them."

Tomorrow morning the regiment will don full equipment, which includes blanket rolls, haversacks with ration canteen and entrenching tools, and will make a practice march. The troops will be out at day and at noon the men will be given instructions in individual cooking. A shelter tent camp will be made and an outpost position will be taken. Before returning to the permanent camp in the evening they will simulate an attack of an imaginary enemy in position. The real work will continue till Thursday, when camp will be broken.

Champion Williams Likely to Survive to Finals—Roland Roberts Loses After Great Fight.

SAN FRANCISCO, July 11.—Ideal weather conditions and well balanced contests, in which Western and Eastern players of National reputation participated, served to attract a large crowd of tennis enthusiasts to the courts of the California Lawn Tennis Club here today to witness the second day's play in the International Panama-Pacific championships.

R. Norris Williams, of Harvard, National champion, had no difficulty in defeating L. Curtis, also of Harvard, in straight sets, 6-2, 6-2. Williams' play was brilliant throughout and it seems to be the general opinion that he will survive to the finals.

W. M. Washburn, of New York, holder of the Metropolitan championship title, defeated Joseph Tyler, of Spokane, the Northwest champion, taking two straight sets with comparative ease. The match between R. Lindley Murray, of San Francisco, and Wade Dawson, of Los Angeles, resulted in the best played sets of the day. Murray's service was too strong for his opponent.

Roland Roberts, the 17-year-old San Francisco high school boy, put up an excellent fight against veteran Charles Gardner, formerly from New York, but lost his match, 6-3, 3-6, 6-2.

An exhibition match was arranged, in which M. E. McLoughlin, World's champion, and William Johnston defeated Dr. Sam Hardy and Clarence Griffin, former clay-court title holder. McLoughlin and Johnston won, 6-2, 6-2, 6-4.

BALANCE IS ABOVE BILLION

Year's Exports Increase \$293,000,000; Imports \$220,000,000 Less.

WASHINGTON, July 11.—An increase of nearly \$293,000,000 in the export trade and a decrease of \$220,000,000 in

imports is shown by the analysis of the United States foreign trade for the 11 months covering the July Duran was issued today by the Bureau of Foreign and Domestic Commerce. The trade balance in favor of the United States is estimated at \$1,069,885,595. The analysis shows an enormous increase in exports of crude foodstuffs and food animals, the total exportations amounting to \$481,110,840, as against \$126,498,962 for the same period last year.

Crude materials for use in manufacturing fell off nearly \$100,000,000 in exports, owing to the closing of European factories which use American materials.

Exports to France more than doubled, to Italy they nearly tripled, and to Great Britain they increased by \$100,000,000. Exports to Germany fell from \$238,116,430 to \$28,861,587, and to Austria from \$21,289,937 to \$1,249,167. During May more than \$100 worth of merchandise went to Germany.

BLUE BOOK PUBLISHED

OREGON PUBLICATION MODEL FOR VALUABLE INFORMATION.

Copies of Work for Which Legislature Appropriated \$2200 Are Being Distributed by Mr. Olcott.

SALEM, Or., July 11.—(Special.)—The Oregon Blue Book for 1915-1916 has been published and copies are being distributed by Secretary of State Olcott. The book contains 192 pages, 35 more than the one published two years ago, and has much additional information. It is a model so far as a valuable information in condensed form is concerned. The recent Legislature appropriated \$2200 for printing and issuing the book, but in addition to this \$1200 will be expended for postage.

After the Legislature of 1913 declined to make an appropriation for issuing a Blue Book, Mr. Olcott received so many requests for information regarding the state that he used money from his expense fund to issue the book. There was such a demand for copies that a second edition was published, and the last Legislature, made the appropriation without hesitation. An important feature of the book is a sketch by George Himes of the formation of the provisional government of Oregon. New features include lists of newspapers in the state, an outline map of the state and classified statement of lands.

OAKS PROGRAMME NEW

HAWAIIAN MUSICIANS AND TROUBADOURS PLEASE CROWD.

Interest Centers in 67-Piece Band of First Regiment of University of Wisconsin, to Appear Thursday.

Another successful week opened at the Oaks amusement park yesterday, although threatening weather militated somewhat against the attendance.

The varied nature of the new programme, which was changed entirely from the former programme, the Hawaiian and American airs by the 10 Hawaiian striking a popular chord. The Hawaiians received several recalls at both afternoon and night performances.

"The Girl From Panama," the new Boston Troubadour hit, proved one of the best of the season, the big hit being George Burton's "I Wonder Where My Monkey's Gone?" which was enjoyed again and again. There are 12 song numbers in the piece, 20 persons participating.

Swimming proved popular, and the bathing tank and pavilion did excellent business.

Interest at the Oaks now centers in the 67-piece band of the First Regiment of the University of Wisconsin, the official representatives of the State of Wisconsin at the Panama-Pacific Exposition. The engagement of this great band opens Thursday afternoon.

The First Regimental Band is said to be the biggest band touring America today. It has played to capacity everywhere on its tour, in all instances former residents of the Badger State being responsible for the entertainment of the students.

The band is somewhat of a paradox. It is an amateur organization, yet most of the members are professional union musicians and all are graduates of Madison College, President Leonard W. Riley.

SEVEN LODGES AT PICNIC

Knights of Columbus Members Have Outing at Bonneville.

Seven lodges of the Knights of Columbus participated in a picnic yesterday at Bonneville. The programme consisted of a dance, and various athletic events, followed by a lunch. A "kangaroo" court furnished one of the most amusing features of the day.

Prominent among the athletic events was a tug-of-war between the Portland and the Dalles councils. It was won by Portland.

A. A. Murphy, Frank Sinnott and J. J. Galtin presided in the "kangaroo" court, imposing both fines and jail sentences on the prisoners halted before them.

The members of the committee in charge of the picnic follow: Dan Conner, P. Bacon, D. Callert and A. M. O'Hanlon.
