## HOPS ARE GOING FAST

England Buys 2500 Bales of Californias.

CUAST STOCKS ARE LOW

Export Purchases Made in View of Serious Crop Conditions Abroad. London Cable Reports No Improvement in Prospects.

Confirmation of the serious condition of the English hop crop can be found in the Bran Sherts heavy buying for export of spot hops in Futu

in the past week 2500 bales of California per ton. HAY Eastern Oregon timothy, \$16017; condon, up to 12% cents being paid for the best The entire holdings by growers on the Pacific Ceast, including olds, is now only \$800 bales, and it is practically certain these

No business in the new Oregon crop has been reported lately, but about 200 bales of Western Washingtons have been signed

Bids for spot oats were lower, but there were no sellers for any delivery, nor was any

harley offered. One hundred tons of spo-

In the other countries for which informa-ion has been received (Bulgaria, France, Great Britain and Ireland, Roumania, Can-ada), although forecasts of the crops are not given, conditions are generally favorable for the coming harvest. More especially is to be noted the great increase this year, compared with 1914, in the area sown to

wheat in Canada (5,218,753 hectares, against 4,165,006 in 1914, or 125.3 per cent).

The bulletin contains also information on

1914-15 crops in Argentina, where, according to a new estimate, the production of wheat amounts to 45,850,000 quintals (147.9

The baremeter is relatively low ever the Bocky Mountain States and relatively high along the Pacific Coast from the mouth of the Commbia River south to Humbeidt Bay. Showers and thunder storms have occurred in the Missouri and Upper Mississippi Valleys and light rain has fallen in Western Washington, New Maxico and the New England States. The changes in temperature since vestering have been been and the presented by the coast of t pesterday have been unlimperiant.
The conditions are favorable for fair weather in this district Tuesday except in Boutheastern Idaho, where cloudiness will increase and be followed by showers.

FORECASTS. Portland and vicinity: Tuesday fair: orthwesterly winds. Oregon and Washington: Tuesday fair: westerly winds.
Idaho: Tuesday fair, except showers and thunder storms southeast portion.
EDWARD A. BEALS, District Forecaster.

The dogs of Lebrador are shod with scal-ekin share, which protect their feet from the sharp ice and enable them to draw much heavier loads.

Comparison of Portland streets indelibly impresses on your mind the quality word in the

'bitulithic'

pavement world.
