

JACK NESS BREAKS RECORD OF 357 HITS IN 137 GAMES. Oakland First Baseman Makes Safe Hit for 41st Consecutive Game.

TY COBB'S MARK IS BEATEN

Leading Swat Smith of Coast League Makes 'Texas Leaguer' in Fourth, Then Caps Climax by Winning With Home Run in Tenth.

SAN FRANCISCO, July 13.—Jack Ness, Oakland's first baseman, set a new world's record today in the game with Salt Lake by hitting safely in his 41st consecutive game.

Ty Cobb held the title with a record of safe hits in 40 games running in the fourth inning, made first, but went out on his way to second. Then, to make his title clear, he smashed over a home run in the tenth inning, winning the game. Ness captured a similar title for the Pacific Coast League when he hit safely in his 25th consecutive game.

He also leads the Coast players, with a batting average of .357, made in 137 games, 345 times at bat, during which he made 62 runs, 141 base hits, four three-baggers, ten home runs and stole nine bases.

Ness was born, raised, educated and learned to play baseball in Chicago. He entered the professional ranks with the Madison, Wis. team in 1909. Detroit scouts saw him and he was drafted, but the rough edges on his minor league playing caused him to be farmed out to Williamsport, in the Tri-State League. He stayed there until the fall of 1910, when Detroit recalled him.

Ness played with Detroit until June, 1911, when Hugh Jennings sent him to New Bedford in the New England League for training, which he spent two seasons in acquiring. Oakland drafted Ness at the close of the 1912 season and he reported two years ago. Following is the record of Ness' world's record batting:

FINAL PLAYERS DETERMINED

Miss Ryder to Meet Miss DuBrulle for Ladd Club Woman's Title.

Miss Mabel Ryder and Miss Emma DuBrulle will play it out for the championship among the women in the Ladd Club's first annual tournament, which is nearing a close, as a result of Monday's play.

Only two matches were played yesterday, due to the heavy rains. The court was still not until noon and then all hostilities had to be postponed.

Because of their showing yesterday, Miss Ryder and Catlin Wolford now are working their way to the finals in the mixed doubles and their chance of winning the title of the Ladd Tennis Club seem favorable.

Following is the schedule which will be used today or as soon as the weather clears: 10:30 A. M.—Ladies' consolation singles. Miss Harriette Johnson vs. Miss Gladys Harrison; R. Zanillo vs. L. Brown.

11 A. M.—Bessie Povey vs. E. Zanillo. 11:30 A. M.—M. Ryder and E. DuBrulle vs. B. Povey and L. Brown. 5:30 P. M.—Munson and Joy vs. Wallace and Reed; Pitts and Seufert vs. Sheen and Harmon.

Billie Stepp Placed in Charge and Many Changes Are Due.

Many changes are due to be made in the Piedmont club of the City League before the team meets Sellwood next Sunday. Billie Stepp was placed in charge of the team last night by George Grayson, who will leave today for a two-weeks sojourn at the beach.

Stepp has been playing the opening of the second half of the season, according to the players. Harry M. Grayson, secretary of the league, last night made the drawings for the games next Sunday. The Piedmont Maroons will tackle the Sellwood Elingbats, present leaders of the circuit on the Piedmont grounds near the Peninsula Park, while at the same time the West Side Monarchs are slated to regain lost laurels from the East Side Redmen on the East Twelfth and East Davis-streets grounds.

KEEFE TO BE RELEASED

McCrede Also to Let One Other Go Before Starting South—McArdle Falls to Arrive—Stump and Hillyard Hit Doubles.

Pacific Coast League Standings. W. L. Pct. San Fran. 45 45 .500 Portland... 43 38 .529 San Diego 41 38 .519 Vancouver... 40 38 .513 Seattle Lake... 42 48 .467 Yesterday's Results. At Portland—Portland 2, San Francisco 0 (4th in third inning rain). At Oakland—Oakland 1, Salt Lake 1 (9 innings). At...—No game with Los Angeles; team failed to arrive.

Water in copious quantities from the sky conspired to cheat the Beavers out of what looked like a win yesterday. After Portland had piled up a 2-0 lead on the San Francisco league leaders in two innings Empire Nick Williams was forced to call a halt on account of a miniature cloudburst, and after 20 minutes of weather the game was called off for keep.

However, other things besides rain looked during the afternoon. For instance, Walt McCrede admitted upon cross-examination that he intended to release one and possibly two of his players later in the week.

One of these will be Bobby Keefe, right-hand pitcher, and the other—well, it will be neither Bill Seaps nor Roy Bates, you can count on that.

Keefe's Start Here. Keefe came to Portland a free agent this Spring after getting a release from Rochester, of the International League. The veteran seems to have plenty of stuff, but he had enough luck in getting off to a bad start.

Portland has too many pitchers on the string and Keefe is one of the new ones. Concerning yesterday's game, Portland knocked the spots off the new Seal southpaw, Brown, in two innings, and then Roy Cozzens pitched for his first Fenning to the rescue. Because of his bifurcated shoulder Manager Wolverton did not come forth with the team. He may join the boys in mid-week.

Stump fanned the chutes for Brown in the second inning when he doubled to center and Hillyard scored him by driving a ball against the right-field fence. It remained up in the attic, but owing to ground rules, Hilla got only two bases on his drive.

Beavers Kept on Hitting. So, to make the going better, Carich and Lober singled successively and brought him home.

The rain began driving the women out of the lower tier of boxes and Nick Williams called time.

After 30 minutes nobody but a bunch of Higgabothams were left on the mound for Portland and the old infield assortment was in the box score. Honus Muldoon, once the star of the San Francisco news men who had him aboard a train bound for Portland, or perhaps they double-crossed him. At any rate, Honus did not make the appearance, and the fatted calf will be warmed up this afternoon.

HOMER BY NESS BEAT BEES Circuit Swat in Tenth Inning Is Climax of Game Won by Oaks. SAN FRANCISCO, July 13.—Jack Ness, Oakland's first baseman, not only set a new world's record today, but he won the game today with Salt Lake, but he won the game by knocking the ball over the fence for a home run in the tenth inning. The score was tied at 1-1 from the fourth inning. Score: Salt Lake 1 0 1 Oakland 4 0 1 Batteries—Noyes and Brennegan; Peet, House and Stevens.

champion tennis player of the United States, defeated R. Lindsay Murray, of Oakland, Cal., today after three sets of the hardest kind of fighting. The scores were 6-6, 7-9 and 9-7.

Williams is the only Eastern singles player remaining in the Panama-Pacific Exposition championship tournament, G. M. Church, of Princeton University, having gone down earlier in the day before Clarence Griffin, of San Francisco, 6-1, 6-1, and Dean Mathey, also of San Francisco, who played the attack of John R. Strachan, of San Francisco, after two hard-fought sets, 6-4, 6-2.

Eastern Men Win Doubles. In the men's doubles, G. M. Church and Dean Mathey, representing Princeton, had too much dash and drove too hard for Clarence J. Griffin and Sam Hardy, of San Francisco, who played a careful game. Church and Mathey won, 6-4, 6-4.

Match Goes Three Sets. After Williams had captured the first set, 8-6, Murray annexed the second, 9-7, but lost the match, 8-6.

The contest between Clarence Griffin and G. M. Church was won by Griffin largely because of his cool, heady play, and the many foot faults called against Church, which appeared to make him nervous and spoil his game.

John R. Strachan, California champion, was too strong for Dean Mathey, whom he beat by six games and six matches. Mathey contributed to his defeat by serving many double faults. Play will be continued tomorrow.

Amateur Athletics. TWELVE innings of sensational baseball were sprung before the Columbus Park baseball team was able to ring up a 4-0 victory over the Portland Elingbats last night at the Columbus Park stadium. The hit that scored the winning run was made by Tony, the third baseman, after making three hits in three times up. Hurton came to bat with the bases loaded and drove in the pinch. Horton tied the score in the sixth inning, when he singled, stole second, stole third and then straggled out by stealing home.

Another 12-inning struggle was sprung Sunday after winning from the White Sox 8 to 2, the Portland Newboys dropped the seven-inning game to the Hawthornes, but they were saved by a 2 to 2 tie in the twelfth when the Merhans made two runs in their half of the ninth.

The Newboys came back with one more score, but not enough to win. Al Pupick and Billie Stepp were the batting stars for the Newboys (Center and Zalkowitz)... 5 to 3 White Caps (Ray and P. DeClos)... 2 to 4 Newsboys (Hiddle and Zalkowitz)... 2 to 3 Merhans (Hiddle and Schmitt)... 4 to 1

is such good tobacco you feel like you could just eat the smoke!

Yes, sir, P. A. puts a razor edge on your smoke-appetite-division that's nobby enough to be photographed! No other pipe and cigarette tobacco can be like Prince Albert, because no other tobacco can be made like Prince Albert. The patented process fixes that—and removes the tongue-bite and throat parch! Let that digest!

And that line of conversation is 24 kt., whether you play P. A. in your old jimmy pipe or roll it into a makin' cigarette. For you can put your little old blue-pencil O. K. right here that Prince Albert is a regular double-header for a single admission—as joy'us to your tongue and taste one way as the other!

Will the "rollers" kindly step forward for a spell and get some of this listen into their systems? Because Prince Albert certain and sure jams more joy into a makin' paper than ever before was figured up on two hands!

In the plain language of the hills, you can't any more resist such makin's tobacco than a bullfrog can pass up a piece of red flannel! Because P. A. hands to you everything any cigarette roller ever dreamed-out—rare flavor, and aroma, and mildness, and body; absolutely the best bet—the best smoke

you or any other man ever did roll and put the fire to! Men, we tell you to wise up. P. A. is crimp cut and stays put—which means rolling P. A. is as easy as falling off a log. And it's good to remember P. A. is put up in the toppy red bag especially for you "rollers." Sells for the price of a jitney ride, 5c. Now, will the "pipers" kindly open both ears? Here's tobacco that has made it possible for three men to smoke pipes where one smoked before!

Any way you hook it up, Prince Albert is tobacco insurance! Yes, sir, it guarantees your future as well as your present smokings! And just makes your tongue so jimmy pipe joy'us that your smoke appetite grows whopping big. You men who "dassn't," we say you go to P. A., natural-like! Because there isn't a bite in a barrel of this national joy smoke.

Unlimber your old jimmy pipe! Dig it out of the dark corner, jam it brimful of P. A. And make fire with a match! Me-o-my!

You get acquainted with Prince Albert in the toppy red bag, 5c; or tidy red tin, 10c, but for the double back-action-joy, you buy a crystal-glass pound humidor. And then you're set! You see, it has the sponge-moistener top and keeps P. A. at the highest top-notch point of perfection. Prince Albert is also 4 lbs. in pound and half-pound tin humidor.

Es menester ser grande para apreciar la grandeza. Not always do I urge a man to smoke Van Dyck. Many men are not ready to smoke so good a cigar. And others—ah, well, they seem to think good smoking means only much smoking. I pity such and praise to him some far milder domestic cigar. Myself, I find that great pleasures are far greater when approached with moderation.

I would not go to a banquet each night, I hold myself from chatter-boxing talk, for quiet pauses help in the deep talk between friends. I choose not to ride every moment in luxurious automobiles. I am not always seen with a cigar in my mouth. Even when so, I do not puff rapidly to see how fast it will burn. But when I smoke—why what more need I say than that I smoke Van Dycks?
