

PERJURY ALLEGED IN DODGE HEARING

Tilt Between A. E. Clark and Thomas Mannix Enlivens Proceedings in Court.

CLASH ON BRIBERY CHARGE

Routine Work of Day Monotonous, With B. J. Vaughn Under Cross-Examination Regarding Contract That Brought Failure.

During a clash between attorneys in the Dodge timber land suit yesterday, A. E. Clark declared that "cold-blooded and deliberate perjury" had been committed in charging William S. Nash, an attorney, with offering a \$25,000 bribe to E. H. Dodge to influence his testimony.

Perjury Charge is Made.

"Yes," retorted the other, serenely, "and when you charged that you committed the most cold-blooded and deliberate perjury ever committed in court."

Dodge Cashier Cross-Examined.

All day Mr. Vaughn, the cashier, was on the witness stand, with Mr. Clark questioning him closely on the books of the Dodge companies. The construction of a logging road into the Skamania County timber belt, in Washington, occupied the entire day.

New Store Talks

Number Ten

What has been done to protect the public and ourselves against the fire fiend is, perhaps, one of the most interesting bits of news about the new store.

Every precaution to eliminate all possible danger has been taken. A fire pump has been installed with a capacity of 1000 gallons per minute and a pressure of fifty pounds to the square inch. This pump conforms to the latest demands of the local Fire Department and the underwriters' code. With its numerous standpipes and hose reels distributed throughout the building, this pump is equivalent to the largest fire engine in the city and a corps of efficient fire fighters. In addition, an elaborate sprinkler system has been installed. "Safety while shopping" is our intention toward the public.

Portland's Patriotism Was Proven by the Great Ovation Given Liberty Bell

DURING ITS FEW HOURS HERE

It is gratifying, indeed, to know that the custodians of the Liberty Bell have accorded to Portland the honor of having given to the grand old Liberty Bell the greatest ovation anywhere along the route.

Fitting, in every way, was the programme arranged, and Portland may well be proud of its reception of the bell.

YOUTH—in the columns of well-drilled school children, with flags waving and faces shining with that wonderful asset—Patriotism—was there!

OLD AGE—in the now depleted ranks of the Veterans, marching with bared heads in honor of the symbol they had fought for—was there!

YOUNG MANHOOD—in the companies of soldiers marching with serious mien—the hope of our country—was there!

Let us all, then, as Loyal Americans live up to the lesson of the Liberty Bell.
