

"FRAT" MEN FETED

50 Members of Delta Kappa Epsilon Visit Here.

LOCAL BROTHERS HOSTS

Eastern Party, Returning From San Francisco Convention, Are Escorted Over Columbia Highway, Smoker Following.

Fifty members of the Delta Kappa Epsilon Fraternity, returning from the convention that was just closed at San Francisco, arrived in Portland yesterday on the steamer special from Flavel and were immediately taken in tow by members of their fraternity who comprise the local alumni chapter.

Delta Kappa Epsilon is one of the oldest and strongest of the college National fraternities and numbers in its membership some of the most noted men of the Nation: college presidents, clergymen, political leaders and business men are on its roll of honor, and on an occasion such as brought them to the Coast, business worries fade and only the joys and grief of their undergraduate days are remembered.

The visiting Deas were taken on a sightseeing trip through the city and were later entertained at dinner at Crown Point Chalet by the local brothers. Returning from the Columbia Highway trip they were taken to the University Club, where a smoker was given in their honor, the committee in charge of the entertaining being J. S. Huselton, J. S. Bradley and Donald Green.

After a strenuous 16-hour visit in this city the visiting Deas will leave for Eastern points at 10 o'clock today.

Davidson, of Hood River, who is here to act for the Grower's Council in supervising the handling of the Yakima peach crop, today called a meeting of the governing board of the Northwest Fruit Shipper's Council for next Friday in this city to resume consideration of plans partially agreed on at a meeting June 30.

WOMEN IN VIENNA

Vienna, July 21.—Everybody does their duty for the endangered fatherland. The poor woman on her way to factory contributes her mite to the collection boxes. The rich women open their parlors, bedrooms and kitchens to the wounded officers and soldiers.

The diseases which weaken and torment women may in almost all cases be cured by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, heals inflammation and ulceration and cures womenly weakness.

Every woman who has reason to believe that backache, headache, unnatural pains, low spirits, sleepless nights, irregularities or a catarrhal condition is caused by a derangement of the womanly functions, owes it to herself and dear ones to speedily overcome the trouble before a general breakdown causes permanent prostration.

Dr. Pierce's Favorite Prescription is a temperance remedy that any ailing woman can safely take because it is prepared from roots and herbs with glycerine containing tonic properties and is not a secret remedy because its ingredients are printed on wrapper.

Get Dr. Pierce's Favorite Prescription today either in liquid or tablet form, at any dealer in medicines, if you want to better your physical condition surely and speedily. Every ingredient in "Favorite Prescription" is printed along with the directions. If you want a specialist in women's diseases to diagnose your case, consult Dr. Pierce by letter, correspondence private and confidential, address Dr. Pierce, Invalids' Hotel, Buffalo, N. Y.

M. Gilbert and C. E. McKee, of this city, W. H. Paulman, chairman of the executive committee of the Grower's Council, will be here the same day to address grower's meetings.

RELICS ARE EXHIBITED

OBJECTS OF INTEREST IN NATION'S HISTORY SHOWN IN PORTLAND.

Oregon Society Arranges Exhibit for Visiting Sons and Daughters of American Revolution.

Historic relics from the War of Independence, April 19, 1775, to November 25, 1783, are numerous among the exhibits at the Oregon Historical Society rooms, 207 Second street, and Secretary George H. Himes has compiled a list of some of the more interesting ones for the benefit of visiting Sons and Daughters of the Revolution. The Historical Society rooms are located on Second street between Taylor and Salmon streets. Among the relics which have been viewed by the interested party are:

- 1—Flint, steel and tinder box. Used by Robert Wilson, of Virginia, in the Revolutionary War. About 1800 he gave it to his nephew, Robert Wilson Morrison, who gave it to Thomas Henson Morrison, who gave it to the Oregon Historical Society in 1906.
- 2—Handmade iron spike. Used in the construction of Faneuil Hall, Boston, in 1740-41. Offered to the Society by the construction of Faneuil Hall, Boston, in 1740-41. Offered to the Society by the construction of Faneuil Hall, Boston, in 1740-41.
- 3—Powder horn. Made in Rowan County, North Carolina, in 1775. Presented to the Society by Robert H. Himes, a resident of Portland, March 11, 1905.
- 4—Sword. Made in Virginia and used by Evan Morgan, a Revolutionary soldier, also a soldier of the war of 1812. He was the grandfather of the late H. B. Morgan, who lived in Oregon.
- 5—Broadsword. Made by a blacksmith, this sword was used at the Battle of Bladensburg, Sept. 24, 1814, and after the battle near the spot where General Joseph Warren fell. It was used many years by Jeremiah Peas of Essex, a soldier who fought in the battle. In 1842 it was purchased from Mr. Peas by Dr. William L. Adams, a pioneer of 1842, and brought to Oregon. He gave it to the Oregon Historical Society in 1906.
- 6—Tray and candle snuffers. Owned by Thomas Nelson, of Yorktown, Va., who was a signer of the Declaration of Independence. He also was a Brigadier-General of Virginia militia and a personal friend of General George Washington. He served in the battle of Yorktown and was present at the surrender of Cornwallis. Dr. Samuel Nelson, a grandson of Thomas Nelson, was a Portland resident in 1829.
- 7—A piece of wall paper from the bedroom of Mrs. Martha Washington. Taken from the Washington home in 1859 by a committee of the Ladies' Mount Vernon Association, of whom Mrs. Johnson, of Washington, D. C., an aunt of George H. Himes, was a member, and presented to the Oregon Historical Society by her in November, 1901.
- 8—Piece of wood from the ship Columbia, built at Sitoune, Mass., in 1792; also a gouge and a pot auger used in constructing this vessel. This ship was a privateer during the Revolutionary War and, under command of Captain Robert Gray, was the first American vessel to circumnavigate the globe. The Columbia was sailed into the South Sea great river on May 1, 1792, and on June 14, 1792, was upon the Columbia at that time. In addition to the foregoing the Oregon Historical Society has in its possession the chest and mirror of Captain Gray.
- 9—Brick from the foundation wall of Independence Hall, brought from England between 1770-1774 and used in the construction of an unpretentious brick building which in 1874 became known as "Independence Hall."
- 10—Hunter from the cupola of Independence Hall. Both of these relics were given to an officer of the Oregon Historical Society in November, 1901.
- 11—The following relics of Revolutionary War are placed in the custody of the Society by Fred H. Saylor: Acorn from Washington's tomb, Mount Vernon, Va.; piece of wood from Faneuil Hall, taken from the grave of John Hancock; piece of wood from the "Old South Church," Boston.

ITCHING OF ECZEMA ON BACK Intense. Gradually Spreading. Almost Unbearable. Skin Thick and Rough. **HEALED BY CUTICURA SOAP AND OINTMENT**

"About a year ago I broke my leg and while confined to my bed, eczema of the dry type made its appearance on one side of the small of my back, and sometime later on the back of each knee. It started in very small spots, gradually spreading, with the skin growing thick and rough. The itching was so intense as to be almost unbearable at times compelling me to scratch and rub the parts sometimes fifteen or twenty minutes before I could rest."

"I received a free sample of Cuticura Soap and Ointment, which gave so much relief that I got more. The itching has entirely disappeared and the rough skin peeled off." (Signed) J. M. Miller, 3249 Hayward Pl., Denver, Colo., Feb. 18, 1915. Keep your face young by daily use of Cuticura soap and Cuticura Ointment.

SALE EACH FREE BY MAIL With 32-p. Skin Book on request. Address post-card "Cuticura, Dept. T, Hosiery," Sold throughout the world.
