To acquaint hotel clerks and railway ticket agents with the Columbia High-way that they would be better able to tell of its scenic advantages to sourists, a committee, headed by C. L. Horn, took a party of 40 on a sight-seeing trip yesterday.

The party, in seven gutos, left the Chamber of Commerce at 7 o'clock and returned at 11:45 o'clock. The party went to Shepherd's Dell, where brief addresses were made, instructing the clerks as to the highway further on and of features that should be pointed out to travelers. At Chantleler, on the return trip, a luncheon was served.

yesterday, and both events were entertaining, popular successes.

Sousa has a magnetism, a friendliness that instantly places his band in sympathy with its auditors, and an innerbond of camaraderie is established.

Only one number on the fine programme can be classed as classical, Liszt's "Second Polonaise," and it was played so fauitlessly that all persons among the audience were charmed. This "Polonaise" is a favorite piano number, is well and deservedly known, and is of stellar beauty. To hear those reeds creep up to imitate the treble notes of the piano was a great musical treat. Delighted applause greeted the Liszt number, and the band instantly played as a reply the joyous strains of "El Capitan."

SOCIETY

F interest on tomorrow's social calendar will be the wedding of Miss Monica Montgomery and Francis Wilson Benefiel. The ceremony will take place in the Mount Tabor Presbyterian Church.
