LOS ANGELES, Cal., July 29 .- (Special.)-Walter Doane won another game for the Tigers today. His single in the 11th scored Rader, who himself had singled, with the run that broke up the game, after the Tigers had tied the Beavers up in the eighth. The core was 5 to 4. The game gave the

score was 5 to 4. The game gave the local fans another chance to compare Doane and Carlisle, who figured in a recent trade, and it must be said that Doane outshone his erstwhile rival on the Tiger team in every department. In the first frame Carlisle made a wild throw to the plate that let one man in, and with Stumpf's error and but one nit, the Tigers took a lead of three runs. In the 11th, when Doane singled out to Carlisle, the latter to all appearances could have nipped Rader at the plate if he had thrown the ball instead of holding it. ball instead of holding it. The Tigers trailed until the eighth, when Berger singled and scored on Spencer's double and then won in the 11th. Krause was taken out in the eighth and Higginbotham is charged with losing the game. Get all the smoke-pleasure you pay for. Find the right cigarette—a SENSIBLE one that fits your own likes and dislikes.

It may or may not be Fatima

-but this will help you find it.

Tastes differ-in fashions, foods and pretty girls. Also in cigarettes.

A cigarette that started out to please every man's taste would end up by pleasing none.

Most of us like our cigarette smoke deliciously cool and refreshing. The Mexican likes his hot and dry, with a nice little peppery sting in it.

Some men like a cigarette wholesomely, fragrantly mild. Others of us hunt for a cigarette almost as heavy as a black cigar.

Most of us want an "easy" cigarette-a SENSIBLE one, so that no matter how steadily or how many we smoke, we'll feel as fit as a fiddle. Other men, though, don't care about that. They smoke only a few-so they want a kick like a mule's in each puff.

All of us want our smoke "full-bodied" -it must satisfy that smoke-hunger. But the cigarette that just fills the bill for you may not do at all for your next-door neighbor.

Somewhere—among all the brands on the market—is the one just-right cigarette for YOU!

Maybe it's the very one you have now in your pocket—but are you SURE? Maybe it's some entirely "different" cigarette-it may or may not be Fatima.

But "find it!" Until you do, you're cheating yourself out of a whole lot of smoke-pleasure. Also you're wasting some money.

How to Find "yours"

To avoid blindly trying too many different cigarettes. ask yourself, first of all, this question:

"Just what do I like in a cigarette?"

If you smoke only a few every day, you may prefer a cigarette which is rather rich or heavy and "oily." you may like one which has a rather strong "oriental" taste with a pungency almost like perfume. Or you may flavor. But if you smoke quite often-if you would like to smoke whenever you feel like it and without any effect on the tongue or throat or any fear of a heavy or "heady" feeling afterwards-then you should choose some cigarette such as Fatima, a cigarette composed of all-pure tobaccos of considerable aroma, mellowed by being aged and carefully blended to produce a fragrant and wholesomely mild, yet "full-bodied," smoke. And the smoke must be noticeably COOL. For otherwise your tongue or your throat will soon signal you to stop smoking so often.

If you will ask any Fatima smoker, he will tell you that Fatimas never make him "feel mean"-no matter how many he smokes.

That is why Fatimas are considered the most sensible cigarette by such a large majority of smokers. And that is probably the main reason why hardly any Fatima smokers ever switch! They like a sensible cigarette -and one with a good, pure taste to it.

But the Taste is up to You

All cigarettes are pure, but when it comes to the taste, nobody can help you choose. You simply have to decide for yourself.

Of course, Fatima's taste may not appeal to you. But most men who try Fatimas like the taste so well that they seek no further-otherwise Fatimas could never have won and held their enormous and growing leadership amounting to over one and a half BILLION cigarettes a

The one purpose of this advertisement is to ask you in a fair and square way to give Fatimas (20 for 15c) a good trial. If they don't happen to suit your taste, you'll quit smoking them of course. But if you like Fatimas as well as MOST men do, you'll be mighty glad you read this advertisement—and ACTED ON ITI

Below are two simple tests which you can easily make and which may help you find your sensible cigarette.

It may or may not be Fatima. But be fair to yourself and find "vours,"
