Oregon City Prospectors to Work

OREGON CITY, Or., July 29.-(Spe-cial.) --Thirty years after the presence of valuable minerals was discovered Ab Dilliman and William Shannon are now making arrangements to work the prospect. They have just returned from their property, which is near Mount Lassen, in Lassen County, California. Early in this year Mr. Dillman and Mr. Shannon opened an 15-foot shaft, which reveals ore assayed at \$200 a ton. They have a lease on the property The outcropping was found in an orchard 200 feet from the Pacific High-way.
