Russians Resist Stubbornly, Berlin Admits, but Continuance of Successes at Various Points Are Given Out by War Office.

LONDON, Aug. 3.—The stubborn resistance which the Russians are offering to the Austro-Germans and the slowness with which the forces of the invaders have been able to move during the last few days has led to the belief in some quarters that the German supply of ammunition is beginning to feel the effect of the protracted struggle and that Russia may yet save Warsaw.

LATIN AMERICANS  
PROMISE TO HELP

Conference to Decide on Final Course in Mexico Is Set for Thursday.

DETAILS NOT OUTLINED

Secretary Lansing Denies Invasion for Relief Would Be Act of War and Cites Boxer Rebellion Policy as Precedent.

WASHINGTON, AUG. 3.—PRESIDENT WILSON'S DETERMINATION TO SEEK THE CO-OPERATION OF SOUTH AND CENTRAL AMERICAN GOVERNMENTS IN RESTORATION OF PEACE IN MEXICO WAS REACHED LAST JUNE, WHEN HIS APPEAL TO THE MEXICAN FASCISTS TO END THE STRIFE BROUGHT NO RESULTS.

The invitation to the Ambassadors from Argentina, Brazil and Chile, and the Ministers from Bolivia, Uruguay and Guatemala, to confer with Secretary Lansing on the problem, was extended June 30, while the statement to the Mexican people was issued June 2. Announcement of the plan was held up until each of the diplomats had received the sanction of his government to participate in the conference, a step made necessary by the fact that the affairs of a third country—Mexico—were to be reviewed.

CONFERENCE SET FOR THURSDAY.

The conference will be held at the State Department next Thursday. It has been announced as an informal and confidential meeting.

All details of President Wilson's plan for settlement of the Mexican problem have not, it is reported, been communicated to the six Southern governments, who are to take part in the conference, but have received in confidence a general outline of what is to be proposed by the Washington Administration.

PROMPT AND DETERMINED ACTION.

It is believed the first step proposed will be a final appeal to Mexican leaders to end hostilities and arrange for restoration of constitutional government by peaceful means. At the same time, it is thought, will be suggested.

SHOULD THIS BE IGNORED BY ANY OF THE MEXICAN FACTORS, THE PLAN IS SAID TO INCLUDE PROCEEDING TO PROMOTE ESTABLISHMENT BY THE OTHER FACTORS OF A GOVERNMENT TO BE SUPPORTED MORALLY AND FINANCIALLY BY THE UNITED STATES AND OTHER AMERICAN GOVERNMENTS.

EMBARGO ON MUNITIONS OF WAR WOULD BE IMPOSED, IT IS SAID, AGAINST REVOLTING FACTORS.

Denial will be made for immediate relief of the food situation in Mexico City and maintenance of railroad and telegraphic communication. It is understood that if Mexican leaders cannot do this, the United States, aided possibly by the Latin-American governments, may find it necessary to take control of the capital and the railroad by force and hold it until peace is restored.

ACT NOT ONE OF WAR.

Replying to questions today, Secretary Lansing said the sending of troops into Mexico City to take food signs could not be considered an act of war. He cited the action of the United States and other powers in China during the recent rebellion. Mr. Lansing would not say, however, that such a plan was in contemplation.

REPORTS FROM VERA CRUZ TONIGHT ANNOUNCED THE FORMAL ENTRANCE OF GENERAL GONZALEZ INTO MEXICO CITY.

Earlier reports said telegraphic communication with the capital had been restored for transmission of official business. American Consul Silliman at Vera Cruz denied this later, but the Associated Press received a direct report, filed today at a station a few miles outside of Mexico City, telling of the arrival of food supplies with Gonzalez' forces.

CARRANZA SAYS HE SENDS FOOD.

General Carranza telegraphed his agents here the following statement: "Besides inaugurating the relief work with the supplies carried into the capital, with the army under General Gonzalez, I am making provision for the transportation of additional food supplies for immediate delivery in Mexico City and distribution for the points where distress is most apparent. This supply will be adequate for the present needs of the population of the capital and will be continued as long as necessity exists for government relief. Further, I am arranging for food distribution in other portions of the territory lately coming under the complete control of the armies of the constitutional government."

THE AMERICAN RED CROSS ANNOUNCED THAT IT WOULD ATTEMPT TO SEND TO MEXICO CITY VIA NEW ORLEANS AND VERA CRUZ \$6000 WORTH OF GROCERIES ASKED FOR BY AMERICANS. C. J. O'CONNOR, RED CROSS AGENT IN THE MEXICAN CAPITAL,

ORDER OF DESTRUCTION MODIFIED.

In some cases the villagers were directed to execute these orders themselves, on promise of speedy compensation. Few complied, as the villagers feared they would not be able to make a record of their losses.

ABOUT JULY 1 THE WARSAW CIVIC AND GENERAL COMMITTEE APPEALED TO GRAND DUKE NICHOLAS FOR A MODIFICATION OF THE ORDER. THE COMMITTEE HAD THE SUPPORT OF THE ARCHBISHOP OF WARSAW. THE GRAND DUKE ACCORDINGLY ISSUED INSTRUCTIONS THAT PROPERTY SHOULD NOT BE DESTROYED EXCEPT IN CASE OF MILITARY NECESSITY AND PERMITTING THE POPULATIONS TO REMAIN.

A CLEAR MAJORITY OF THE PEOPLE ARE LOYAL TO RUSSIA, AND SEEMINGLY THE LOYALTY OF THE POLES HAS BEEN STRENGTHENED BY PREMIER GOREMYKIN'S PROMISE OF AUTONOMY.

Vancouver Council Grants Two Weeks Before Acting on Repeal.

VANCOUVER, WASH., AUG. 3.—(Special.)—The ordinance repealing the franchise of the Washington-Oregon streetcar line for a streetcar line on Fifth street, from Main street through the garrison, which came up for passage last night, was held over two weeks upon request of H. K. LUGGER, manager of the traction department here.

It explained that the company is in the hands of a receiver, but plans are afoot for reorganization, which, if successful, will permit the construction of this line.

JULY WET AT ASTORIA.

ASTORIA, OR., AUG. 3.—(Special.)—The month of July was an unusually wet one in Astoria. According to the records in Weather Observer Gilmore's office the precipitation during the month was 2.36 inches, or 1.29 inches in excess of the average during the corresponding month of previous years. There were 21 days on which rain fell, 10 clear days, 12 partly cloudy and nine cloudy days. The maximum temperature was 82 degrees, July 20, while the minimum was 50 degrees, July 19.
