READY FOR OPENING

Automobile Parade From Portland Will Dedicate New Route Tomorrow.

MOTORISTS INVITED

Governor and Many Prominent Oregonians Will Be in Procession Leaving From Benson Hotel in Morning.

The Columbia River Highway from Portland to the sea will become a real-

A party of more than 100 prominent residents of Portland and other parts of Oregon, as well as some from Vancouver and other points in Southwestern Washington, will make the trip from Portland to Clatsop Beach points, be-

rortland to Claisop Beach points.

Sinning temorrow.

They will leave the Benson Hotel in
Portland at I o'clock temorrow morning, and expect to reach Gearbart at
or before 5 o'clock in the evening.

More than 25 automobiles will carry
the excursionists. It is aimed to have
all the machines remain close together. so that the party can maintain its or-

canization.

Governor Withycombe has expressed his intention of making the trip and will be in one of the first machines. Among the other prominent Oregonians will be S. Benson, John B. Yeon and

to participate in the dedication is invited to make the trip.

The streep is people of Clatskanie, which point is about half way between Portland and Seaside, have arranged to provide lunch for all the tourists.

A formal reception will be given at Gearhart Thursday evening, in which the people of Asteria and all the Clattapp Beach points will join.

Miss May Jackson holds that position with the Al G. Barnes wild animal circus. The place was assigned to her the second during the past time. The place was assigned to her the second during the past time. The place was assigned to her the second during the past time. The place was assigned to her the second during the past time. The place was assigned to her the second during the past time. Route Is Described.

As a result of The Oregonian path-finding trip Sunday, Portlanders who contemplate motoring with the official dedication party over the lower Colum-bia River Highway tomorrow may feel assured that they will arrive at their destination by the sea without diffi-

The road through St. Helens to Goble. 42 miles from Portland, is good almost all of the distance. The new construc-tion work under the Standifer-Clarkson contract commences at Tide Creek, a point between Deer Island and Goble. The seven miles from Goble around the picturesque Goble and Prescott points to Balley was a seven miles from Goble and Prescott points. picturesque Gobie and Frescott points to Rainier was a trifle rough last Sun-day, but hundreds of workmen were busy smoothing off the rough surfaces to have the road ready for comfortable

to have the road ready for comments
from Bainler to Clatskanie the road
is for the most part an old county thoroughfare that is well established. There
is some new grading that is in good
condition and a touch of corduroy here

condition and a touch of cordurdy sere and there.

Between Clatzkanie and the county line at a point this side of Westport two promotories will attract the dedication party, Palm Cut, a little way out of Clatzkanie, and Kerry Cut, near a station by that name. From the county line on to Clatzop Creat, formerly Bugby's Point, the road is solid and smooth.

Clatsop Crest is the highest and most scenic point along the highway. For three and a half miles the road winds around the hills until it has looped itself six times on the mountainside and faded away at the summit, a full 750 feet above the river.

Beach Road Is Good.

On the other side of Clatsop Crest newly constructed bridges cross several attractive trout streams, and then, for five or six miles between points opposite the stations of Knappa and Svensen, the road is in fine Svensen, the road is in fine condition.

HIGHWAY TO OCEAN GIRL STRIVES 3 YEARS TO BE CIRCUS BUGLER

Miss May Jackson, Coming With Al G. Barnes' Show, Claims Title as Only Woman in World to Hold Place.

MISS MAY JACKSON.

The committee in charge of arrangements consists of Julius L. Meler, John B. Yeon, J. C. Potter, O. W. Taylor and W. D. B. Dedson. Everyone who wants taking practice—three years to win an ambition—that of official bugier of Various acts are also so introduced. Various acts are also so introduced.

real fun, she says.

Miss May Jackson holds that position with the Al G. Barnes wild animal circus. The place was assigned to her early this Spring, after a try-out of two weeks. Miss Jackson had for three years been mastering the intricacles of the Army bugle under the tutelage of a famous regular Army bugler.

Trampeter Once Was Dancer.

Before taking up her present work, Miss Jackson was a noted exponent of classic dancing, and during the past Winter was engaged by many of the most exclusive clubs of California—her home state—to give exhibitions of that art.

An entirely new programme and an exhibition of the greatest array of edu-

Show's Orders Given Dally.

This circus bugier girl is a busy person. At all hours of the day she must be at the call of the show's super-intendent. There's the parade call at 10 o'clock in the morning. In the parade of busiers at the head of the pageant.

At 1 o'clock the assembly call is sounded—all employes to their stations—all performers to their dressing-rooms. Ten minutes later the cir.

An entirely new programme and an exhibition of the greatest array of educated wild and domestic animals ever than 600 trained animals perform in 65 acts and features, the big thrilling sensational acts being given with feroclous wild animals.

The Barnes show is to exhibit in Portland Monday and Tuesday, August 15 and 17, on the show grounds at Twenty-sixth and Raleigh streets.

Regulation Same as Other Mediums of Expression Is Solution Offered to Alleged Problem of Corruption by Films.

BY G. A. METZGER,

public opinion.

It is a well-known fact that no law unsupported by public opinion can be enforced in the long run. Public opinion is the source of all law, and no stream can rise above its source.

Censorship Termed Imposition. Woman burned by Gasoline is the imposition of a previous legal constraint. It means that the motion picture before being shown to the public dividual an opportunity, if he so desired in Home Being Sprayed on interior With Liquid.

Minnoville, Or, Aug. 16.—(Special)—Homer Phillips, 33; his wife and 25, and their daughter, aged 7, were seriously burned index, when their home was destroyed by fire while spraying the interior of their house with gasoline, a tank containing five gallons exploded and all were enveloped in fiames.

Miss. Phillips is by far the most seriously burned, and Drs. Goucher and Wood, of McMinnville, state there is the imposition of a previous legal constraint is the imposition of a previous legal constraint. It means that the motion plot to the previous legal constraint is the motion plot ture before being shown to the public dividual an opportunity, if he so destraint is binding by the present censor board on think it just condemnation, to then have the privilege of submitting the film as evidence to the board of appeals decision would be final. They would have the privilege of either austaining the decision of the emsor board or passing the film over their heads, which would be satisfactory to the moving-picture interests.

"The moving-picture business in the City of Portland is too large an enterprise to the previous legal constraint and provided and dominated by such a small body of individuals as now represent the official constraint and provided and dominate

ing five gallons exploded and all were enveloped in flames.

Mrs. Phillips is by far the most seriously burned, and Drs. Goucher and Wood, of McMinnville, state there is no hope for her recovery, while Mr. Phillips and his daughter have some hope of recovery. They are at the McMinnville Hospital. The Homer Phillips farm is about one mile east of the town of Whiteson and 5½ miles from McMinnville.

It is not clear what caused the explosion, but it is reported that Mr. Phillips, as half-brother to Homer Phillips, as half-brother to Homer Phillips, was silled last week by a bull.

Editorial Cited as Answer.

I was asked the question, "What about objectionable pictures—how do you propose to deal with pictures which movals or type, should be free to all upon or type, should be fre

Hemer Phillips, as skilled last week by a buil.

Mrs. Phillips was burned so fearfully that she had practically no skin on the arms, face, hands and legs to other mediums of expression."

Exactly in the same way as applied to other mediums of expression."

The newspaper cannot urge freedom of expression and the press against libel or the printing of obscene matter. The showing of an indeed or libelous picture can be stopped and the person responsible for it prosecuted under laws existing in all the person responsible for standing with a short time grains.

The smallest peakings in the world is the standing of the press against libel or the printing of obscene matter. The showing of an indeed of the press against libel or the printing of obscene matter. The showing of an indeed of the commercial Club building within a short time against libel or the printing of obscene matter. neighbor's morals—however unsuccessful you may be in looking after your own—is ineradicable in human nature. If printing were a new art—invented, say, in the 19th century—it would undoubtedly be under a comprehensive censorship. There would be a college of censors in the Postal Department to accuting every printed sheet that to accutinize every printed sheet that went through the mails. "There would be state censors, whose

Interference" Given.

| Political activities had been of a nature as to inspire the Governor with great faith in their general discretion. New York, Chicago and other large cities would have local boards, probably affiliated with the police departments, and very zealous in seeing that the and very zealous in seeing that the minds of the young were not corrupted by printed words which tended to raise doubts of the police department's in-telligence and integrity. Recent is-sues of Chicago newspapers contain-ing information that policemen had been indicted for grafting would have appeared in the corrupting columns, carefully blackened over in the Rus-

sian manner.

"Motion pictures are a new art, and a complicated system of censorship is growing up around them. There is no particular reason for censoring motion pictures more than anything else, ex-cept that they are new and their un-settled status gives the censorious in-

A hill just below Burnside Point was rather disagreeable with mud last Sunday, and unless the County Court has kept its promise of laying new plank nearly all cars will need tire chains to help them over the ridge. From that point into Astoria the road is in good condition.

Except for five miles of sandy road, all of the 20 miles of road between Astoria and Gearhart is either paved or macadamized and is in fine condition. Froviding the tide is low, the opinions of one or two, or three, or even a dozen or a score of individition. Froviding the tide is low, the opinions of one or two, or three, or even a dozen or a score of individition. Froviding the tide is low, the opinions of one or two, or three, or even a dozen or a score of individition. It is not the post sand of the road by turning to the ocean at Columbia Beach and driving over the hard sand on the beach to Gearhart.

It required The Oregonian pathfinding car, a Cadillace eight, 19½ hours to make the trip of 122 miles from Portland to Gearhart last Sunday. If deductions were made for stops along the road the running time would have totaled about eight hours.

Provision has been made for gasoline at frequent intervals along the route, so that the dedication motorists will not need to worry about running out of fuel.

BY G. Mill range color and correct are becoming the road in an exhibitors everywhere are becoming the road in principle to conditions. They are bound in principle to any providing the road for make the rip of 123 miles from Portland to Gearhart.
