How Lydia E. Pinkham's Vegetable Compound Carried Her Safely Through Change of Life.

Cedar Rapids, Iowa. —"At the Change of Life the doctor said I would have to give up my work and

take my bed for some time as there was no help for me but to lie still. I took Lydia E. Pink-ham's Vegetable Compound and kept up my work and now I am over the Change and that is all I took. It was better for me than

all the doctor's medicines I tried. Many people have no faith in patent medicines but I know this is good."-Mrs. E. J. RICKETS, 354 8th Avenue, West, Cedar Rapids, Iowa.
