MR. WEST'S PLAN OPPOSED

"Unkindest Cut" Would Be to Deprive "Starving School Districts" in Settling Oregon & California Land Grant, Says Envoy.

Actual settlers on the land involved in the famous Oregon & California land grant are, so far as they are concerned, principally interested in get-ting their titles to the land in question cleared up as soon as possible and the districts in which they live readjusted to the new conditions that the recent changes have brought about, according to the expressions of their representa-They resent proposed measures lieved to be in discrimination against
