the Fortland Coast League club, for a second trial next year is the report that emanated from Cleveland yesterday. Major league drafting begins September 15 and all sales must close August 16 to give immunity against the draft. So, if Cleveland intends to recall Bates, some action will have to be taken within the next three days. Judge McCredie president of the Portland club, professed to know nothing of any such contemplated action yesterday. day.

"I don't think Cleveland wants Hates," said he. "Bates was with the Naps in 1913 and with the Cleveland American Association club last year, so they ought to know him better than we do. Bates, furthermore, does not want to return to Cleveland, I am informed."

Bobby Davis thinks his injured knee Bobby Davis thinks his injured knee is strong enough to permit his return to the lineup this week against the Angels. If so, McCredie may use him at second base, supplanting Hammond. The latter youngster has proved a veritable Dr. Jekyll and Mr. Hyde for Portland. During his first week with the Beavers on their recent California trip Hammond batted close to 400 and he was halled as a coming Ty Cobb. Then he began to slump and since then his batting has been practically all. In the last nine games Hammond has not made a single base hit. Last year the youngster hatted more than 250 in a B league and he figures to hit better than he has the past two series. B league and he figures to hit better than se has the past two series. He doesn't know what is wrong and is plainly worried. Hammond played un-der Lee Pobl. the present temporary manager of the Cleveland club, and Fobl may take him back if the Port-land club parses him ouward.

"Pop" Dillon and his league-lead-ing Les Angeles squad will open a six-game series with the lowly Mackmen today at I o'clock on the diamond at Recreation Park. The Angels are fresh from the Bay City, where last week they took five out of the seven games played from the Seals, while Portland was Boosting the Bees up the percent-age ladder by losing with cruel regu-larity.

His morning card was 78.

The tournament here furnishes a lively bit of players' sensation. It was the close golf that M. Rosenblatt, a lad 14 years old, played during the morning rounds. Some of the wise golf experts look upon the young Portiander as a sure comer. In the morning rounds he paced off with W. Gotelil, and tongues began to wag when his card read an 37. The lad fell down two holes during his play of the second half of the 25 holes in the afternoon, his card reading 88, giving him a total score for the day's play of 176.

Rheumatism Easily Relieved by Cleansing the Blood

S. S. S. Gives Quick Relief by Toning Up the Blood

Yes, but how? A natural question. The answer is that you must cleanse your blood by stimulating it to healthy, vigorous action, so that it will throw off the germs and impurities that cause Rheumatism. The action of the worderful blood purifier, S. S. S. is to practically renew the life blood, give it vigor, stimulate the flow, making it throw out the germs and the poison impurities. The excruciating pains of Rheumatism, whether it is the ahooting, stabbing Sciatica, the gripping agony of muscular Rheumatism, or aching arms and legs that break up sleep will be entirely relieved by S. S. Don't use nostrums and drugs. Take the blood bath—Nature's blood tonic, S. S. Get it at any druggist, but insist upon S. S. Let us tell you about blood diseases. Send for booklet "What the Mirror Tells," or if yours is a peculiar case, write S. S. S. Co., Atlanta, Ga., but begin treatment at once.
