

"MUD BALL" CREDIT GOVERN REUBACH

Fans Throughout Country Are Discussing Fate of New Delivery, Like "Spitter."

BEAVERS EXPECT TO WIN

Manager McCredie Thinks Seals Will Be Defeated in Series at Fair City—Bill Steen Expected to Be Used Against Portland.

That the "mud ball" is now the leading topic of the baseball world there is no doubt. The question is, what are they going to do about the new delivery? It is not only being asked by the fans of the Coast League, but by hundreds of thousands of baseball "bugs" in every league in the country.

That manager McCredie already has begun to build up a team with which he hopes to grab the Coast League good-faith next season is plainly evident during the sojourn of the team here.

It is true that the Beavers handled the Angels roughly, and it was these same Angels that handed a drubbing to Wolverton's boys before they came up north for the series here.

Evenly Walter Hammond did not take kindly to his berth with Tacoma after giving the team the once-over. The ex-Beaver infielder, merely tarried long enough in the Tiger stronghold to grab off a breakfast at the expense of Joe McGinnity, and was up and gone.

While here "Pop" Dillon, the Los Angeles manager, indicated that Johnny Williams and Hal West would have to show more than they did in Portland if they intended to keep on taking meals with the Angels.

Last Trade to White Sox Big Upset to Captain Huston—Boston Reds and Tigers Are Other Teams Leading in Monopoly.

BY CHRISTY MATHEWSON. NEW YORK, Aug. 30.—(Special.)—It looks to me as if somebody were trying to make a triangle race out of the affair in the American League, and the other competitors are suffering.

They will have a three-club league the first thing they know. Every recent trade or sale has strengthened either the White Sox, Boston Red Sox or Tigers.

Ban Johnson has always had more or less to say about the American League, and it was he who started the Collins deal. The last trade to the White Sox has greatly upset Captain Huston, who has been known as the "Boss" of the Cleveland club, went to Comiskey's team, and "Cap" said he didn't even have a chance to bid for him.

Need for Jackson Shown. "I would have gone as high as any of them and a shade higher to get Jackson," Captain Huston said one day not long ago. "But they wouldn't give me a look in the eye."

There is one American League manager, however, who does not care who gets them and the fact he is not considered on the deals does not worry him at all. I refer to Cornelius McGinnity, of the Athletics. They are all welcome to the expensive boys as far as C. McGinnity is concerned.

There are as good as players in the "bushes" as in the big leagues," says "Connie." "If you only know how to find them."

Russell Held Not Worth Much. Mack was never a man to go out and buy costly baseball bric-a-brac. The only player he ever paid real big money for, failed to come up to anything like expectations.

MAJOR RACES SIMILAR LEADERS OCCUPY SAME RELATIVE POSITIONS AS WEEK AGO.

Cleanse the Blood Banish Rheumatism

Rheumatism Due to Bad Blood. S. S. S. Your Remedy

Thousands have been made well. People in the poorest health, suffering from Rheumatism, with whom pain was constant. Who believed that their vitality was sapped beyond repair. It was proven to them that the cause of their trouble was the blood; that Uric Acid, the most faithful ally of Rheumatism, had gripped them. The poison in the blood had sapped its strength. The weakened blood had allowed poison and impurities to accumulate, and all energy was gone. They felt "poorly," were listless, pain was over present, with poor digestion and dyspepsia. They tried S. S. S., nature's blood tonic. They gave up drugs. This compound of nature's remedies of roots and herbs did what drugs failed to do. It literally "back health, strength, vigor and happiness." Get S. S. S. from your druggist. Insist upon S. S. S. If yours is a long-standing case, write for special advice to S. S. S. Co., Atlanta, Ga., but begin taking S. S. S. at once.
