ST. LOUIS HALTS MARCH

Deputy Sheriffs Attach Boston's Share of Gate Receipts at Double-Header on Suit to Recover \$4000 by Kansas City Club.

ST. LOUIS, Sept. 17.—St. Louis put a crimp in Boston's pennant prospects by winning the opening game of a double-header here today 1 to 0 and tying the second, which was called at the end of the ninth. The score was 2 to 2.

Doak opposed Nehf in a pitchers' battle in the first game, each allowing four hits. In the sixth inning Beacher was safe on Marvinville's fumble. Betzel sacrificed and Beacher stole third. Miller's single completed the run.

Deputy Sheriffs went to the park this afternoon to attach Boston's share of the receipts of the St. Louis-Boston double-header. The deputies carried papers issued after a suit had been filed against the Boston club by the Kansas City American Association team.

The Kansas City club brought suit to recover \$4000 which, it is claimed, the Boston club agreed to pay for Player Bash Compton.

It also was stated that Boston had not turned over to Kansas City player Lawrence Gilbert and Richard Crutcher, traded to Kansas City in the Compton deal. The scores:

THIRD "ARSON RING" THOUGHT EXPOSED

Monte Keeney, Dismissed From Portland Fire Department, Charged With Complicity.

TWO ARRESTS ARE MADE

Ex-Official and George L. Woollette Held for Firing Latter's Home and Are Thought Implicated With S. W. Currier.

With the arrest last night of Monte Keeney, formerly a lieutenant in the Portland fire department, District Attorney Evans believes he has uncovered another "arson ring" which has been responsible for at least seven or eight fires in Portland within the last two or three years.

Keeney and George L. Woollette are held on the specific charge of burning down a house at 259 Lombard avenue on May 3, 1914. Woollette was taken into custody yesterday. Keeney was arrested at 6 o'clock last night by Deputy Sheriff Beckman and Christofersen as he was leaving a train at the Union Depot.

Keeney was a member of the fire department for more than five years and was a lieutenant when he was dismissed from the service. He has been employed on trains near Portland as a baggage solicitor lately.

The house which the two men are charged with burning had been occupied by Woollette, but he and Mrs. Woollette were absent at the time the fire occurred. The methods used in this case and in several other cases which the Fire Marshal has been investigating, were similar to those of the alleged Currier gang.

Fire Marshal Stevens said last night that only 700 fires had occurred in Portland so far this year, whereas during the entire year of 1914 there were 2000 fires.

"I think we'll hold it down to 1000 fires this year, or just half what we had in 1914," said Mr. Stevens, "and these three big arson cases will explain away a lot of last year's fires, too."

WILLIAMS COLLEGE BEST

HARVARD CARRIES OFF CHAMPIONSHIP TITLE EASILY.

LEONARD BECKMAN, OF PRINCETON, BEATEN

in Philadelphia 6-2, 6-1, 6-2, With Winner at Top of His Game.

PHILADELPHIA, Sept. 17.—R. Norris Williams, representing Harvard, won the intercollegiate lawn tennis singles championship on the courts of the Princeton Cricket Club at Haverford today by defeating easily Leonard Beckman, of Princeton, in the final round.

Williams held the intercollegiate title in 1913. Last year it was held by George M. Church, of Princeton, who has since graduated from college.

Williams played his best tennis of the tournament in the second set and showed flashes of the form that earned him the National honors a year ago.

Beckman kept trying all the time, but never had a chance to turn the tide in his favor. Only six games out of the 23 went to Deuce, three in the first set, one in the second and two in the third.

Williams' service was too strong for Beckman, while the varied attack and fine generalship of the Crimson star fairly swept the Princeton contender off his feet. Of the 95 points scored by Williams 58 were earned, while Beckman earned only 16 of his 58 points.

Harvard also clinched the doubles title yesterday when two Crimson teams, Williams and Harte and Curtis and Cane, won out in the semi-finals. They will meet in the final round tomorrow. Harvard now needs only two points to secure permanent possession of the intercollegiate tennis trophy, having five points to Princeton's one. The old trophy was won by Princeton in 1912.
